American Pickers Guide to Picking Libby Callaway
2011-09-13 A true adventure story and the go-to guide for "picking" American treasures from anyone's backyard, straight from the stars of History's American Pickers In these pages, professional treasure hunters Mike Wolfe and Frank Fritz chronicle their road trips across the American countryside in search of "rusty gold" to buy and sell among the picking world's one-of-a-kind characters. Whether you are a fan of the show or just like

~~finding hidden riches, you will~~ love seeing what Wolfe and Fritz dig up and enjoy meeting the devoted collectors, extreme stockpilers, and elite dealers who they encounter along the way. Wolfe and Fritz do not deal in fine antiques. Their secondhand treasures are of the down-and-dirty and sometimes even bizarre variety, from old bicycles and vintage tools, to sun-bleached cars and handmade furniture, retired carnival games and unusual taxidermy. Assisted by Danielle Colby, who helps out at Antique Archaeology, Wolfe and Fritz buy on the cheap and then sell to dealers, art directors, interior designers, or anyone looking for a little bit of authentic Americana. The three now share their secrets to finding hidden gems, offering helpful hints that will show what average Americans can do to find the treasures that await them. From *American Pickers Guide to Picking: Junk is Beautiful* When we knock on a door, 90 percent of the time the things we find are junk. But we don't care about the odds; a

Collecting Toy Cars And Trucks A Collectors Identification And

Value Guide

picker never turns down an opportunity, no matter where it is. We've picked pickup trucks. We've picked flat beds. We've picked dumpsters. We even picked a Mercury Sable. We're looking for the unusual, the impossible, the funky, the different, the bizarre-things we have never seen before. And we'll go anywhere we have to go to find it. No location is off-limits to a hard-core picker. And there's plenty of things to be found at antique stores, thrift and consignment shops, flea markets, estate sales, and swap meets, and a lot of the tips in this book apply to finding treasures at these joints. But that's not really the kind of picking we do anymore. We look outside the box to find our junk—a word we use almost like a term of endearment: to us: junk is beautiful.

American Bookseller 1993

Collecting American-made Toy Soldiers Richard O'Brien 1997 Early American makers such as Grey Iron, H.B. Toys, Metal Cast, and Premier rise through the ranks of this specialized volume while thousands of troops fall in for inspection and identification.

Warman's Americana & Collectibles Ellen Tischbein Schroy 2004

Toys in the Age of Wonder Mark Rich 2020-09-09 By the middle 1800s, toys were appearing in forms that drew upon—and that inspired—advances in areas such as optics, biology, geography, transportation, and automation. In these decades, too, a new type of wonder tale was being brought to maturity by a Poe-inspired Jules Verne. The modern wonder tale's

Collecting Toy Cars And Trucks A Collectors Identification And Value Guide

highly-charged vision expressed the hopes and the fears, and the delights and the traumas, engendered by "new worlds idealism"--that Western pursuit of both mechanical and geographical conquest. Exploring realms belonging to childhood, literature, science, and history, this innovative study weaves together the histories of wonder tales and children's toys, focusing specifically on their modern aspects and how they reflect and express the social attitudes of that time period beginning around 1859 and ending around 1957.

and shows. Illustrations & photos throughout.

Collector's Guide to Toys, Games, and Puzzles Harry L. Rinker 1991

Collecting Toy Cars and Trucks Richard O'Brien 1994

Rubber Toy Vehicles Dave Leopard 2003 Rubber toy vehicles seemed to suddenly appear on the scene in dime stores in 1935 and almost as suddenly disappear in 1955, when American-made plastic toys became much more affordable. These fascinating rubber toys were produced by major companies Auburn Rubber Company and Sun Rubber Company, as well as smaller companies like the Judy Company, Gift Craft, Glolite, Viceroy, and Rubber Toys Unique. Author Dave Leopard, long-time collector of American-made toy cars and trucks who specializes in rubber toy vehicles, began researching this subject in 1987 and continues to obtain new items and information, which he has included in this collector's guide. Leopard presents a history of rubber

toys and describes the American dime store where these toys were first available.

He points out model differences and uses a numbering system to identify the vehicles in the book. The Auburn and Sun Rubber Companies have complete reviews, and pre-war American manufacturers as well as toys produced overseas are given coverage. There are also original catalog pages from Auburn and Sun, and a complete list of rubber toys featured in the book by manufacturer and type. Current collector values are given for each item featured. 'Burn some rubber' on your way to the bookstore to get your copy of Rubber Toy Vehicles.

The Reseller's Guide to Tonka Profit Revised and Expanded John K. Venheim 2017-10-10 In this revised and expanded version of The Reseller's Guide To Tonka Profit master restorer John Venheim takes you into his world and shows you how to find, fix, and flip Tonka trucks

Hubley Catalogs, 1946-1965

Steve Butler 2002 A

tremendous resource for toy collectors and dealers, this new book compiles the catalogs of the Hubley Manufacturing Company from 1946 to 1965. Each page is reproduced in full color, making it an invaluable reference for identifying and dating Hubley toys. The catalogs in this book represent the production from 1946 to 1965, when the company was purchased by Gabriel Industries. Over 450 color images document each page and every toy Hubley produce in this period. A value guide is also included with current market values.

The Automobile in American History and Culture Michael L.

Berger 2001-07-30 This comprehensive reference guide reviews the literature concerning the impact of the automobile on American social, economic, and political history. Covering the complete history of the automobile to date, twelve chapters of

~~bibliographic essays describe~~ the important works in a series of related topics and provide broad thematic contexts. This work includes general histories of the automobile, the industry it spawned and labor-management relations, as well as biographies of famous automotive personalities.

Focusing on books concerned with various social aspects, chapters discuss such issues as the car's influence on family life, youth, women, the elderly, minorities, literature, and leisure and recreation. Berger has also included works that investigate the government's role in aiding and regulating the automobile, with sections on roads and highways, safety, and pollution. The guide concludes with an overview of reference works and periodicals in the field and a description of selected research collections. The *Automobile in American History and Culture* provides a resource with which to examine the entire field and its structure. Popular culture scholars and enthusiasts

Collecting Toy Cars And Trucks A Collectors Identification And

Value Guide

involved in automotive research will appreciate the extensive scope of this reference. Cross-referenced throughout, it will serve as a valuable research tool.

Bulldozer Francesca Russello Ammon 2016-04-26 Although the decades following World War II stand out as an era of rapid growth and construction in the United States, those years were equally significant for large-scale destruction. In order to clear space for new suburban tract housing, an ambitious system of interstate highways, and extensive urban renewal development, wrecking companies demolished buildings while earthmoving contractors leveled land at an unprecedented pace and scale. In this pioneering history, Francesca Russello Ammon explores how postwar America came to equate this destruction with progress. The bulldozer functioned as both the means and the metaphor for this work. As the machine transformed from a wartime weapon into an instrument of

postwar planning, it helped realize a landscape-altering "culture of clearance." In the hands of the military, planners, politicians, engineers, construction workers, and even children's book authors, the bulldozer became an American icon. Yet social and environmental injustices emerged as clearance projects continued unabated. This awareness spurred environmental, preservationist, and citizen participation efforts that have helped to slow, though not entirely stop, the momentum of the postwar bulldozer.

Collecting Dinky Toys Mike Richardson 2001-05-01 This comprehensive listing, with 400 full-color photos, references all Dinky Toys made. Collectors will find toy vehicles conveniently categorized by type for easy reference, a valuable identification and valuation guide, which lists dates made, colors, and prices, as well as a descriptive history of Dinky Toy production.

Kovels' Yellow Pages Ralph M.

Collecting Toy Cars And Trucks A Collectors Identification And Value Guide

Kovel 1999 Need an eye for your teddy bear? Searching for another soup spoon to complete Grandma's silver? Looking for someone to repair your porcelain doll? Wondering if restoring your carousel horse will lower its value? Kovel's Yellow Pages is the ultimate directory for collectors. It helps you find sources for repair, restoration, and parts, and it lists matching services, appraisers, and auction houses—all you need to help you maintain the value of your antiques and add to your enjoyment of collecting. America's antiques experts, Ralph and Terry Kovel, also give you "insider" information on how to navigate the complicated world of buying, selling, and collecting antiques. They have distilled a lifetime's worth of information to give you the last word on Where to start when you've inherited a house full of stuff How to know if you need an appraiser and where to find one When giving away an antique is more profitable than selling it If repairing or restoring an object

will lower or enhance its value How to bid in out-of-town auctions Kovel's Yellow Pages gives you firsthand information from more than 3,000 suppliers, clubs, auctions, services, and industry sources nationwide. You'll find names, addresses, telephone and fax numbers, plus e-mail and Internet addresses. There's also an extensive bibliography of price books and reference books most helpful to collectors. With this guide, you have at your fingertips the most complete and up-to-date collector's reference available anywhere.
