Rust & Stardust T. Greenwood 2018-08-07 “Greenwood’s glowing dark ruby of a novel brilliantly transforms the true crime story that inspired Nabokov’s *Lolita*. Shatteringly original and eloquently written....So ferociously suspenseful, I found myself holding my breath.” —Caroline Leavitt, New York Times bestselling author of *Pictures of You* Camden, NJ, 1948. When 11 year-old Sally Horner steals a notebook from the local Woolworth's, she has no way of knowing that 52 year-old Frank LaSalle, fresh out of prison, is watching her, preparing to make his move. Accosting her outside the store, Frank convinces Sally that he’s an FBI agent who can have her arrested in a minute—unless she does as he says. This chilling novel traces the next two harrowing years as Frank mentally and physically assaults Sally while the two of them travel westward from Camden to San Jose, forever altering not only her life, but the lives of her family, friends, and those she meets along the way. Based on the experiences of real-life kidnapping victim

Sally Horner and her captor, whose story shocked the nation and inspired Vladimir Nabokov to write his controversial and iconic *Lolita*, this heart-pounding story by award-winning author T. Greenwood at last gives a voice to Sally herself.

The 19th Wife David Ebershoff 2008-08-05 Faith, I tell them, is a mystery, elusive to many, and never easy to explain. Sweeping and lyrical, spellbinding and unforgettable, David Ebershoff’s *The 19th Wife* combines epic historical fiction with a modern murder mystery to create a brilliant novel of literary suspense. It is 1875, and Ann Eliza Young has recently separated from her powerful husband, Brigham Young, prophet and leader of the Mormon Church. Expelled and an outcast, Ann Eliza embarks on a crusade to end polygamy in the United States. A rich account of a family’s polygamous history is revealed, including how a young woman became a plural wife. Soon after Ann Eliza’s story begins, a second exquisite narrative unfolds—a tale of murder involving a polygamist family in present-day Utah. Jordan Scott, a young man who was thrown out of his fundamentalist sect years earlier, must reenter the world that cast him aside in order to discover the truth behind his father’s death. And as Ann Eliza’s narrative intertwines with that of Jordan’s search, readers are pulled deeper into the mysteries of love and faith. Praise for *The 19th Wife* “This exquisite tour de force explores the dark roots of polygamy and its modern-day fruit in a renegade cult . . . Ebershoff brilliantly blends a haunting fictional narrative by Ann Eliza Young, the real-life 19th “rebel” wife of Mormon leader Brigham Young, with the equally compelling contemporary narrative of fictional Jordan Scott, a 20-year-old gay man. . . . With the topic of plural marriage and its shattering impact on women and powerless children in today's headlines, this novel is essential reading for anyone seeking understanding of the subject.”—Publishers Weekly (starred review)

Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and,

today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.
