**Letters to Milena** Franz Kafka 2015-11-03 In no other work does Franz Kafka reveal himself as in Letters to Milena, which begins as a business correspondence but soon develops into a passionate but doomed epistolary love affair. Kafka's Czech translator, Milena Jesenská, was a gifter and charismatic twenty-three-year-old who was uniquely able to recognize Kafka's complex genius and his even more complex character. For thirty-six-year-old Kafka, she was "a living fire, such as I have never seen." It was to Milena that he revealed his most intimate self and, eventually, entrusted his diaries for safekeeping.

**The Palace of Illusions** Chitra Banerjee Divakaruni 2009-02-10 Taking us back to a time that is half history, half myth and wholly magical, bestselling author Chitra Banerjee Divakaruni gives voice to Panchaali, the fire-born heroine of the Mahabharata, as she weaves a vibrant retelling of an ancient epic saga. Married to five royal husbands who have been cheated out of their father's kingdom, Panchaali aids their quest to reclaim their birthright, remaining at their side through years of exile and a terrible civil war. But she cannot deny her complicated friendship with the enigmatic Krishna—or her secret attraction to the mysterious man who is her husbands' most dangerous enemy—as she is caught up in the ever-manipulating hands of fate.

**On the Shortness of Life** Seneca 2005-09-06 Throughout history, some books have changed the world. They have transformed the way we see ourselves—and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives—and destroyed them. Now, Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization, and helped make us who we are. Penguin's Great Ideas series features twelve groundbreaking works by some of history's most prodigious thinkers, and each volume is beautifully packaged with a unique type-drive design that highlights the bookmaker's art. Offering great literature in great packages at great prices, this series is ideal for those readers who want to explore and savor the Great Ideas that have shaped the world. The Stoic writings of the philosopher Seneca, who lived from c. 5 BC to AD 65, offer powerful insights into the art of living, the importance of reason and morality, and continue to provide profound guidance to many through their eloquence, lucidity and timeless wisdom. This selection of Seneca's orks was taken from the Penguin Classics edition of Dialogues and Letters, translated by C.D.N. Costa, and includes the essays On the Shortness of Life, Consolation to Helvia, and On Tranquility of Mind.

*Comparative Materia Medica* E. A. Farrington 2010-04-22 This is one of the finer ways of

understanding the distinct nature of each remedy and is also a step towards reducing the probability of error in our prescriptions. This work is one of classical works on comparison of drugs for their action on various organs and conditions. The books has comparisons at various levels beginning from differential of remedies for various conditions, comparisons of remedies which usually come up together for various conditions, comparisons of remedies of same stock where different remedies of same group have been discussed, comparisons of allied remedies and a last chapter on therapeutic hints for bed-side reference. It's a worth read and is like preparing for a sure-shot prescription.

**Digital Analytics for Marketing** Gohar F. Khan 2017-10-05 This comprehensive book provides students with a "grand tour" of the tools needed to measure digital activity and implement best practices for using data to inform marketing strategy. It is the first text of its kind to introduce students to analytics platforms from a practical marketing perspective. Demonstrating how to integrate large amounts of data from web, digital, social, and search platforms, this helpful guide offers actionable insights into data analysis, explaining how to "connect the dots" and "humanize" information to make effective marketing decisions. The author covers timely topics, such as social media, web analytics, marketing analytics challenges, and dashboards, helping

students to make sense of business measurement challenges, extract insights, and take effective actions. The book's experiential approach, combined with chapter objectives, summaries, and review questions, will engage readers, deepening learning by helping them to think outside the box. Filled with engaging, interactive exercises, and interesting insights from an industry expert, this book will appeal to students of digital marketing, online marketing, and analytics. A companion website features an instructor's manual, test bank, and PowerPoint slides.
