War Record Mark Zaccaria 2012-06 As a young man growing up in Boston, Leo Zaccaria truly lives the American dream. The son of Italian immigrants, Leo has everything an American boy can desire—friends, a quality education, a series of rewarding jobs, and even his own car. Most of all, Leo and others of his generation have the assurance that their lives will be marked by peace and prosperity. The War to End All Wars is over, and nothing can stop them from living their dreams. Years later, Leo finds himself in a situation all too familiar to American men of his generation. From an idyllic youth in a burgeoning country, Leo is thrust into an unthinkable war halfway around the world. When Leo is taken prisoner at the Battle of the Bulge, his memories of the life he once knew in America are all he has to keep himself alive. The first installment in an expansive and ambitious biographical novel, *War Record: Dreams of a Stolen World* captures a defining moment in American history. When faced with the horrors of the Second World War, Leo's only defense is the indomitable spirit cultivated by his authentic American upbringing. As Leo toils for the Third Reich in a forced labor camp, he realizes that

the key to survival lies within himself, in his Dreams of a Stolen World.

New South Wales Legislative Council Practice Lynn Lovelock 2008 This first edition of *New South Wales Legislative Council Practice* brings together the history, practice and procedure of the New South Wales Legislative Council - the Upper House of the New South Wales Parliament, and the first and oldest legislative body in Australia. Since the advent of responsible government in New South Wales in 1856, the New South Wales Legislative Council has been the focus of continuous struggle regarding its composition, powers, role and very existence. However, from its tumultuous history, the Council has in recent years emerged as a democratically elected, powerful and effective upper house, in many ways mirroring the development of the Australian Senate. Today the Council performs key functions within the New South Wales system of government including representing the people and scrutinising the executive government as a 'House of Review'. The rich history of the New South Wales Legislative Council has brought with it a wealth of parliamentary precedent with which to guide modern practice and procedures in the House. While practitioners of parliamentary law and practice in New South Wales have long had access to authorities such as Erskine May's *Parliamentary Practice* and Odgers' *Australian Senate Practice*, the publication of *New South Wales Legislative Council Practice* will provide

an essential reference book to understanding parliamentary privilege, practice and procedure in the New South Wales Upper House.
