Bond Cars Jason Barlow 2020-10-29 Live and let drive. This bespoke, collector's edition is presented in a slip case, and features an envelope of exclusive posters and documents from the EON Bond archives. Bond Cars: The Definitive History is a lavish celebration of the cars that also became the stars alongside the world's most famous fictional spy. Featuring exclusive and priceless assets such as the original call sheets, technical drawings and story-boards, accompanied by previously unpublished photography and exclusive interviews, we put you behind the wheel of every car driven by 007 on film. With insights from the producers and keepers of the Bond flame, Michael G. Wilson and Barbara Broccoli as well as Daniel Craig and special effects and action vehicles supervisor and veteran of 15 Bond films, Chris Corbould, this is the story of cinema's greatest icon, told through the prism of the legendary cars he has driven.

A Man & His Watch Matt Hranek 2017-10-31 "I've paged through stacks of books on the history of watches. . . . But I hadn't come across a book that actually moved me until I picked up A Man and His Watch. The volume is filled with heartfelt stories." —T: The New York Times Style Magazine "There are a bunch of beautifully illustrated watch books out there, but A Man & His Watch by Matt Hranek is more than that. It speaks to the nature of watches as deeply personal items." —Gear Patrol, Coffee Table Books Our Staff Can't Live Without Paul Newman wore his Rolex Daytona every single day for 35 years until his death in 2008. The iconic timepiece, probably the single most sought-after watch in the world, is now in the possession of his daughter Clea, who wears it every day in his memory. Franklin Roosevelt wore an elegant gold Tiffany watch, gifted to him by a friend on his birthday, to the famous Yalta Conference where he shook the hands of Joseph Stalin and Winston Churchill. JFK's Omega worn to his presidential inauguration, Ralph Lauren's watch purchased from Andy Warhol's personal collection, Sir Edmund Hillary's Rolex worn during the first-ever summit of Mt. Everest . . . these and many more compose the stories of the world's most coveted watches captured in A Man and His Watch. Matthew Hranek, a watch collector and NYC men's style fixture, has traveled the world conducting firsthand interviews and diving into exclusive collections to gather the never-before-told stories of 76 watches, completed with stunning original photography of every single piece. Through these intimate accounts and Hranek's storytelling, the watches become more than just timepieces and status symbols; they represent historical moments, pioneering achievements, heirlooms, family mementos, gifts of affection, and lifelong friendships.

Porsche Unseen Stefan Bogner 2020-11-12 Unbekannte Preziosen Wenn Autofirmen Studien und Prototypen zeigen, erlauben sie damit einen Blick hinter den Vorhang, eine Vision von dem, was kommt

oder kommen könnte. Neben dem, was bei offiziellen Terminen und auf Messen gezeigt wird, gibt es aber eine überwältigende Menge von Entwürfen und Modellen, die der Öffentlichkeit aus verschiedensten Gründen verborgen bleiben. In diesem Buch wird das unmögliche möglich: ein Blick auf noch nie gesehene Porsche - Porsche Unseen. Stefan Bogner durfte exklusiv im Allerheiligsten des Porsche Designs fotografieren und beschert uns absolute Aha-Momente. Die Porsche-DNA ist in jedem der gezeigten Modelle erkennbar, die Ausführung aber so neu und zum Teil so unerwartet, dass man meint, in einem Paralleluniversum gelandet zu sein. Ein 1-Liter-Auto von Porsche? Ein coupéhafter 4-Sitzer mit 911-Zügen? Einzige Roadster mit dem Geist der 50er-Jahre? Das alles hat Stefan Bogner im Modell oder sogar fahrfertig vor der Linse gehabt. Die erhellenden Hintergründe hat Jan Baedeker im persönlichen Gespräch mit Designchef Michael Mauer notiert. Folgen Sie uns auf eine unvergleichliche Entdeckungsreise durch die Welt des Porsche Designs! Zweisprachig: Deutsch/Englisch Unknown valuables When car companies present studies and prototypes, they allow a glimpse behind the scenes, a vision of what will come or might come. Apart from what is shown on official events and at fairs, there is an overwhelming number of drafts and models, that remain hidden from the public for various reasons. This book achieves the impossible: a look at Porsche cars the public never laid eyes on - Porsche Unseen. Stefan Bogner was exclusively allowed to take pictures in the Porsche Design sanctum, aha-experiences guaranteed. The Porsche DNA is recognisable in any of the models shown, but the design is so new and unexpected that it suggests the existence of a parallel universe. A 1-litre Porsche? A coupé-like four seater with 911-looks? Single-seated roadsters with 50's flair? Stefan Bogner took photos of all of them - either as models or ready to drive. Jan Baedeker talked with Michael Mauer, Head of Design, and took down the enlightening background information. Join our extraordinary expedition of discovery through the world of Porsche Design!

Mystery Shopping Gum Clinics Rajul Patel 2017 BackgroundThe British Association for Sexual Health and HIV (BASHH) released national guidelines in 2014 advising clinicians on the expected counselling and management of patients with Herpes Simplex Virus type 2 (HSV-2). Diagnosis of this chronic STI can be extremely distressing with lasting emotional and psychological consequences therefore it is vital that clinicians counsel patients effectively. Methods14 UK GUM clinics were visited by a mystery shopper posing as an advice-seeking patient with newly-diagnosed HSV-2. Transcripts of each consultation were made and organised into individual statements under the main themes addressed in the BASHH guideline. The statements were graded by a panel of five HSV-2 Special Interest Group clinicians as Acceptable (A), Unacceptable (U), or Cause for Concern (C). A Delphi process was employed to minimise any discrepancies amongst the panel.ResultsTable 1: Percentage of Acceptable grades per theme in descending orderThemet% A gradesPsychological Support / Resources Offeredt91%Transmissiont84.9%Natural Historyt81.2%Treatmentt73%Disclosuret70.7%Pregnancyt67%Pearsonu2019s Chi Square revealed a significant difference between the standard of psychological support offered and all other areas of counselling (p

Porsche 911: 50 Years Randy Leffingwell 2013-09-01 DIVIn Porsche 911: 50 Years, bestselling author Randy Leffingwell celebrates a half-century of one of the world's premiere sports cars, focusing on the major themes that have defined Porsche's rear-engined wonder. He tells the whole story—design and development, racing and competition, engineering and technology, style and culture. All the iconic 911 models are included: the original 901 prototype that set the standard; the legendary RS models that made the little Porsche a dominant force on the world's racetracks; the infamous Turbo, the car that kept the performance flame alight during the dark, dismal decade of the 1970s; the fabled 959, the model that redefined the term "sports car"; the 993, last of the original air-cooled models; and the 996, 997, and 991, the liquid-cooled cars that brought the 911 into a new millennium. But beyond telling the story of the cars, this book also spotlights the people behind them: Ferdinand "Butzi" Porsche, the son of legendary Porsche founder Ferdinand "Ferry" Porsche, who co-designed the instantly recognizable 911 shape; Peter W. Schutz, the Porsche CEO who saved the 911 from extinction; and Dr. Helmuth Bott, the engineering genius behind many of the groundbreaking technologies that have defined the 911, including fuel injection, turbocharging, and all-wheel-drive. Leffingwell also tells the story of the 911 community—the clubs and culture that surround the car. Together, all of these facets make Porsche 911: 50 Years the most essential book in any Porsche fan's library./div

Type 7 Ing. h.c. F. 2020-11-09 * Type 7 Volume Two - the best stories from another successful year of @type 7, the social media channel for good and inspiring stories from the world of PorscheIt all began in December 2018. Back then, Porsche initiated the Type 7 Instagram channel, which gained cult status after just one year and won over more than 70.000 followers. On Type 7, the team of Ted Gushue, Thomas Walk and Franziska Jostock curate richly illustrated stories and works from the world of architects, artists and designers. Not forgetting famous automobile enthusiasts like Jeff Zwart or the artists Marc Newson or Daniel Arsham: their exciting and beautiful projects got them a place in this book too. Type 7 Volume Two co-ordinates the best stories from another successful year of @type 7, the social media channel for inspirational stories from the world of Porsche. Apart from the varied and carefully chosen stories, the appeal of the book lies in its beautiful design. Paint and embossing are used sensibly, the choice of materials and the type of packaging highlight the standard, that is also the motto of the book's makers: Driving Forward.

FAQs About Finding 3667118570 Type 7 eBooks

How do I know which eBook platform is the best for me?

Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice.

Are free eBooks of good quality?

Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.

Can I read eBooks without an eReader?

Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.

How do I avoid digital eye strain while reading eBooks?

To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks?

Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
