The Lifeguards Amanda Eyre Ward 2022-04-05 "A book that is at once riveting and relevant as it unpeels the various meanings of motherhood,

family, and loyalty. I tore through it."—Miranda Cowley Heller, author of *The Paper Palace* The bonds between three picture-perfect—but viciously protective—mothers and their close-knit sons are tested during one unforgettable summer in a gripping novel from the New York Times bestselling author of *The Jetsetters*. Austin's Zilker Park neighborhood is a wonderland of greenbelt trails, live music, and moms who drink a few too many margaritas. Whitney, Annette, and Liza have grown thick as thieves as they have raised their children together for fifteen years, believing that they can shelter them their children from an increasingly dangerous world. Their friendship is unbreakable—as safe as the neighborhood where they've raised their sweet little boys. Or so they think. One night, the three women have been enjoying happy hour when their boys, lifeguards for the summer, come back on bicycles from a late-night dip in their favorite swimming hole. The boys share a secret—news that will shatter the perfect world their mothers have so painstakingly created. Combining three mothers' points of view in a powerful narrative tale with commentary from entertaining neighborhood listservs, secret text messages, and police reports, *The Lifeguards* is both a story about the secrets we tell to protect the ones we love and a riveting novel of suspense filled with half-truths and betrayals, fierce love

and complicated friendships, and the loss of innocence on one hot summer night.

Season of Fury and Wonder Sharon Butala

2019-04-15 "There are things that it is impossible to learn when you are young, no matter how much you read and study." The season of fury and wonder, in Sharon Butala's world, is the old age of women. These stories present the lives of old women - women of experience, who've seen much of life, who've

tasted of its sweetness and its bitter possibilities, and have developed opinions and come to conclusions about what it all amounts to. These are stories of today's old women, who understand that they have been created by their pasts. But there's another layer to this standard-setting example of "cronelit." Not content to rest on her considerable literary laurels, Sharon Butala continues to push the boundaries of her art. The stories in *Season of Fury and Wonder* are all reactions to other, classic, works of literature that she has encountered and admired. These stories are, in their various ways, inspired by and tributes to works by the likes of Raymond Carver, Willa Cather, James Joyce, Shirley Jackson, Flannery O'Conner, John Cheever, Alan Sillitoe, Ernest Hemmingway, Tim O'Brien, Edgar Allan Poe and Anton Checkov.

Logical Reasoning Bradley Harris Dowden 1993

This book is designed to engage students' interest and promote their writing abilities while teaching them to think critically and creatively. His book emphasizes inductive reasoning and the analysis of individual claims in the beginning, leaving deductive arguments for consideration later in the course.

Ask a Manager Alison Green 2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party

Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or

anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Additional training can be added to this course including bloodborne pathogens training and emergency oxygen administration. While the skills and knowledge that professional rescuers use are increasing, this training will help you meet your most important responsibility as a professional rescuer- the responsibility to save lives.
