Eyes Wide Open Brienne Murk 2008-07-02 In our postmodern world, we are so driven by our emotions that in “living for the moment” we’ve forgotten to guard our most precious treasure—our hearts. Young people may not realize it, but acts that appear innocent—such as e-mail and instant messages—can entangle our emotions and lead the heart to places it should not go. Most people give their hearts away long before they give their bodies away, so it is imperative that young people learn the importance of emotional purity, how to avoid the steps that too often lead to a physical downfall and how to live pure lives. Like talking to a big sister who’s gone before them, reading Eyes Wide Open will give young people the necessary

keys for making decisions about purity, love and romance. She also shows them how to acquire a thirst for purity as they realize it is not just another rule, but a path that leads to a dimension of deep and fresh living where they can truly thrive.

Honoring God with Body and Mind Steven D. Hoogerwerf 2019-11-13 Have you ever

wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture? Does the Christian tradition provide us with a way to think about and act on our natural, God-given sexual desires? Honoring God with Body and Mind invites readers to consider these questions--and some ways of answering them--by guiding them into a conversational style of moral reflection. Unlike many books about Christians and sex, this one doesn't simply tell you what to do (or not to do). Instead, you will be led to think about how the meaning of sex can provide sexual boundaries, but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision-making. Informed by many years of conversations with college students, the author also invites you to think about practical questions such as these: Can men and women be friends without the complications of sexual attraction? If I haven't

always included Christian values in my sexual practices and carry some painful memories and regrets, is there any hope of healing? What is lust? Is masturbation sinful? Can virginity be reclaimed?

The Easiest Way to Learn the Tarot - Ever!!

Dusty White 2009-03-20 This is the definitive guide to learning and mastering Tarot quickly

and easily. Unique, fun, easy-to-learn exercises teach you how to hear what the cards are trying to tell you. This book is perfect for the beginner: all you need to read the tarot is this book and a deck of cards (preferably the standard Rider decks you can find anywhere). We start you immediately practicing our unique, easy and fun exercises with your cards. You will spend your time playing with your cards, not memorizing rules and dogma from some book of archaic superstition and vague cards meanings. You see, this is not yet another book of Tarot card meanings. How boring is that? We will start your hands-on learning immediately; you will be playing with your Tarot cards as they reveal the future to you. You learn by doing, not by memorizing outdated lies and superstitions. This is our official Tarot academy textbook, the same one we use to turn beginners into professionals. This (hands-on time and practice) is essential or you will be trapped in the cycle of buying more and more Tarot books that only make you more

and more reliant on them for card meanings. Here is what you will by reading this book: What your cards are telling you every time you ask a question. What various meanings your cards can have (how else can 78 cards describe the thousands of things that could happen to you on any given day?) How to cast a spread and actually get reliable answers The best spreads to use, how to use them, and when to use them (for any occasion) What the cards "traditionally mean" and why that is important, but not more important than what your intuition is telling you "right now" The difference between average Tarot readers and masters is their ability to hear their inner voice, and see how card meanings adapt to the question being asked. We help you instinctively see exactly how cards blend, influence, and aspect other cards, and how to answer ANY question, even if you have never picked up a deck. We do this through unique exercises and games, taught nowhere else in the world. Click on the "Look Inside" link above to

see exactly how you will quickly and easily master the Tarot. This is a highly interactive workbook: You don't just read this book and put it on the shelf-you practice what you learn in real time, and you see results instantly from your education. The more you practice the better your results will be and the more you will understand your cards. We even have TONS of free videos every week and audio lessons to supplement your education at our easy tarot lessons website. This book is the best way to start learning the tarot. When you have completed this book and you want to read cards better than most professional tarot readers you will ever meet, you will want to pick up a copy of Advanced Tarot Secrets. That book will help you get 3-5 times more information from every spread you cast than anyone you know, and it will teach you the deepest secrets of distance divination and manifestation. Best of all, unlike any other professionally published tarot book this book comes with complete support. If you ever get

lost, stuck, or bored, we are here to help. You can find us inside the book. Thanks for checking out The Easiest Way to Learn the Tarot-EVER!! We are here to help you. This is all we do. Serio 2016-07-27 Today's church has sadly failed to minister to men and women deeply affected by porn, abortion, rape, casual sex, a sexless marriage, same-sex attraction, or childhood sexual abuse. Church leaders know these broken people sit in their pews. What they don't know is what to say to them. Those who would speak out directly from the pulpit worry that they will be unwise or insensitive, whatever their intent to the contrary. They may even fear being fired and losing their ministry altogether. The truth is that seminary curriculums rarely prepare preachers to talk about sex in their sermons. Despite the pervasiveness of sexual wounds in the church, preachers tend to either ignore them and say nothing or abhor them without nuance and condemn. Sam Serio posits a powerful and necessary middle ground: preaching that offers forgiveness, transformation, and restoration. *Sensitive Preaching to the Sexually Hurting* is a ready-to-use resource written from a preaching perspective. Serio examines the causes and

consequences of the seven most difficult sexual issues of today. Moreover, he provides appropriate wording to use in crafting sermons, along with corresponding Scripture texts. He examines how preachers can prepare their churches, their hearts, and their sermons for the topic, and how these can all work together to build a healthier future for their congregations and the wider church body.

Holcomb 2015-08-21 God Made All of Me by Justin and Lindsey Holcomb is an invaluable resource and beautifully illustrated story to help families talk about sensitive issues with two- to eight-year-old children. Because the private parts of our bodies are private, home is the ideal environment for a child to learn about his or her body and how it

should be treated by others—without conveying a message of shame. Through carefully written language and relatable storytelling, *God Made All of Me* helps parents navigate discussion that can so easily be warped into confusion, embarrassment, and secrecy. Instead of instilling a message that their bodies are shameful—which can often prevent children from recognizing and reporting sexual abuse—Justin and Lindsey Holcomb equip parents to build a first line of defense against sexual abuse in the safety of their own homes. This helpful guide starts from the fundamental truth that God created everything and applies that truth—the doctrine of creation—to kids and their bodies. With the help of *God Made All of Me*, parents and caregivers can begin conversations with boys and girls about their bodies, helping kids understand the difference between the appropriate and inappropriate touch of others. This life-changing resource shows readers how to establish the foundation

for a healthy bond with their children to meet increasing challenges of sexuality, which they will inevitably confront in childhood and adolescence. By teaching their children how to establish body and health boundaries, parents are imparting invaluable skills for their kids to express thoughts and feelings. *God Made All of Me* is the first children's book written by Rid of My Disgrace authors, Justin and Lindsey Holcomb. Parents of young children themselves, the Holcombs are profoundly aware of the dangers kids face, and they regularly counsel victims of sexual abuse. Explore *God Made All of Me* and find encouragement, clear guidance, and the tools necessary to facilitate open conversations about how your children can protect their bodies, an important step in keeping them as safe as possible.

Culture and the Condom Karen Anijar 2005 In the last decade of the twentieth century, the «safe sex» message - advocating the use of condoms to prevent pregnancy and curb the spread of AIDS and other sexually transmitted diseases - has endured relentless attacks by conservative religious groups who seek to instill doubt and promote an abstinence-only theme in American public schools. The essays in this book provide a stimulating historical and cultural inquiry into the multiplicity of meanings attributed to one prophylactic: the condom. Given the vast array of sexual attitudes toward condom usage within American culture and around the world, Culture and the Condom will provoke readers into examining significant

dominant discourses and alternative perspectives by viewing condoms through the lens of cinematic and television imagery, artistic representations, statistical analyses, commercial advertising, and animation.

The Talk Luke Gilkerson 2014-07-28 When it comes to the matter of teaching kids about sex, Christian parents are often confused about what to say and when to say it. The Talk is a series of 7 studies, all anchored in the Scriptures, that helps parents to talk meaningfully with children about sexuality. The Talk was written for parents to read with children ages 6 to 10 years old. The study supplies elementary-age children with foundational truths about sexuality at a level

they can understand.

Sex, God, and the Conservative Church Tina Schermer Sellers 2017-04-21 *Sex, God, and the Conservative Church* guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith—mired in sexual shame and dysfunction—and who desire to both heal and hold on to their faith orientation. The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church, and their effects on intimate partnerships and sexual lives. The book provides clinicians a way to understand the faulty sexual ethic of the early church, while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people. The book also includes chapters on strategies for a new sexual ethic, on clinical steps to heal religious sexual shame, and on specific sex therapy interventions clinicians can use directly in their practice. Finally, it offers a four step model for healing religious sexual

shame and actual touch and non-touch exercises to bring healing and intimacy into a person's life.

Advanced Yoga Practices - Easy Lessons for Ecstatic Living Yogani 2004-12 The premise of Yoga is simple. There is an outer reality and an inner one, and our nervous system is the doorway between them. Effective Yoga practices stimulate and open that doorway. The result? Peace, creativity, happiness, and a steady rise of ecstatic bliss radiating from within us. Advanced Yoga Practices (AYP) brings together the most effective methods of Yoga in a flexible integrated system that anyone can use. Instructions are

given in plain English for deep meditation, spinal breathing pranayama, bodily manipulations (asanas, mudras and bandhas), tantric sexual practices, and other methods that are systematically applied to swing open the door of our nervous system to permanent higher experience. This is a non-sectarian approach that is compatible with any belief system or religious background. There are over 240 easy-to-follow lessons here, including many hands-on questions and answers between Yoga practitioners and the author. Whether you are a beginner or a veteran in Yoga, the AYP lessons can serve as a useful resource as you travel along your chosen path. What readers are saying about the AYP lessons: "I searched for years to find a method of meditation that I can do. This is do-able." - AN "I've learned more about yoga in 4 months than in the previous 30 years of study." - SL" This is a very valuable inspiration for people taking up and maintaining meditation." - DB "Spinal breathing pranayama makes me feel so

ecstatic, I want to do it all the time." - YM "After my first meditation session, I never felt so relaxed. You made me a believer." - JF "You make everything seem so simple, yet the practices are profound and dynamic." - SS "I wish I had this kind of information when I started some 15 years back." - AD "I love the way you explain everything. So simple, logical, and so safe." - RY "These are the best lessons I have read on yoga anywhere." - RD Additional reader feedback is included in the last section of the book.

The Easiest Way to Meet and Pick Up Girls-Ever!! Dusty White 2006-07 As of January 2014 I am taking this book off of the market forever. I stated when I wrote this that it was not for mass public distribution. This book was always to be limited to under 10,000 copies. Sales have been astounding (far more than I ever imagined) and it is time to let the existing copies wear out, and return this information back to the few people who actually do it well. I have unpublished all digital versions of this book and they will not return either. This book will not be sold again. Thank you to everyone who read--and used it--when you did. That was an interesting period in my life. But that was then, and this is not then. This book takes all of the guesswork out of meeting women. It is not about relationships or raising a family, and it is not another hokey book on how to have some mysterious "secret power" over women. This book teaches you how to get a date tonight--without having to spend any money. Anyone can do this. You will approach women

any time, anywhere, instantly getting them interested in knowing you, without feeling nervous or having to resort to pick-up lines. You will know what to say first, what to say after that, how to grab her attention and focus it exclusively on you-and get her number or a date on-the-spot. The first section of this book analyzes every possible way you could approach women. The second section of this book reveals a secret, devious way to pick up almost every woman you meet without her even guessing that you are working your magic on her. Subsequent sections provide help and troubleshooting guides. We won't make you a "guru of getting girls." We will get you "dates." The biggest problem most men have in getting dates is knowing how to approach attractive girls they see every day of the week (at the office, gas station, standing in line anywhere). Too many men rely on nightclubs, bars, and personal ads to get dates, ignoring the women they see e-v-e-r-y d-a-y.

The Women of the Bible Speak Shannon Bream
2021-03-30 #1 NEW YORK TIMES
BESTSELLER! The women of the Bible lived timeless stories—by examining them, we can understand what it means to be a woman of faith. People unfamiliar with Scripture often assume that women play a small, secondary role in the Bible. But in fact, they were central figures in numerous Biblical tales. It was Queen Esther's bravery at a vital point in history which saved her entire people. The Bible contains warriors like Jael, judges like Deborah, and prophets like Miriam. The first person to witness Jesus' resurrection was Mary Magdalene, who promptly became the first Christian evangelist, eager to share the news which would change the world forever. In *The Women of the Bible Speak*, Fox News Channel's Shannon Bream opens up the lives of sixteen of these Biblical women, arranging them into pairs and contrasting their journeys. In pairing their stories, Shannon helps us reflect not only on the meaning of each

individual's life, but on how they relate to each other and to us. From the shepherdesses of ancient Israel who helped raise the future leaders of the people of God, to the courageous early Christians, the narrative of the Bible offers us many vivid and fascinating female characters. In their lives we can see common struggles to resist bitterness, despair, and pride, and to instead find their true selves in faith, hope, and love. In studying these heroes of the faith, we can find wisdom and warnings for how to better navigate our own faith journeys. The *Women of the Bible Speak* outlines the lessons we can take from the valor of Esther, the hope of Hannah, the audacity of Rahab, and the faith of Mary. In broadening each woman's individual story, Shannon offers us a deeper understanding of each, and wisdom and insights that can transform our own lives today.
