### **Mastering Criminal Law**

Ellen S. Podgor 2015-04-22

Mastering Criminal Law explores the basic principles useful in the study of criminal law, offering real world examples to understand these concepts. It provides a clear and concise consideration of the fundamental structure of a crime including statutory interpretation and sentencing. It has chapters on the typical crimes covered in most criminal law casebooks, namely, homicide, rape, assault and battery, and theft. Additionally, it covers

accomplice liability, solicitation, attempt and conspiracy. It also covers defenses, including the right to present a defense. It distinguishes different approaches such as the Common Law and Model Penal Code and provides examples of different state statutes. This book is part of the Carolina Academic Press Mastering Series edited by Russell L. Weaver, University of Louisville School of Law. *Emanuel Law Outlines for Family Law* D. [A Short and Happy Guide to Contracts](#) David G. Epstein 2012 This efficient and exceedingly effective guide to Contracts will help you see the big picture. The authors focus on making the key concepts of contract law, and the relationship among those concepts, easier to understand and retain. The authors have also infused the book with humor, believing there is nothing inconsistent between a rigorous academic experience and having a little fun. Each of the authors is nationally-renowned law teacher who has taught Contracts for decades. Based on that experience, in this book they have set forth understandable techniques for mastering the law governing each critical aspect of the contract relationship, including, contract formation (offer and acceptance), enforcement (consideration and defenses), interpretation, performance, breach, and remedies.

Strategies & Tactics for the MBE Steven Emanuel

2019-12-19 The Seventh Edition of Strategies & Tactics for the MBE has been carefully revised by Steve Emanuel and is full of up-to-date advice on how to analyze Multistate Bar Exam (MBE) questions in all MBE subject areas (Civil Procedure, Constitutional Law, Contracts, Criminal Law and Procedure, Evidence, Real Property with Future Interests, and Torts). Steve Emanuel—author of the Emanuel Law Outlines and CrunchTime books in the MBE-subject areas—has passed the bar exam in several states (including New York and California) and worked with law students to prepare them for taking the MBE. New to the Seventh Edition: 30 additional Civil Procedure questions, all recently asked on the MBE and released by examiners, with detailed answers by Steve Emanuel Recently released

actual MBE questions in Constitutional Law, Contracts, Criminal Law and Procedure, Evidence, Property, and Torts (also with detailed answers by Steve Emanuel) Key features include: Fully explained answers that not only analyze each answer option for each question, but also explain doctrines or rules that are necessary for answering the question and that you may not have encountered since your first year in law school Detailed advice on how to handle MBE questions in each of the MBE subject areas Step-by-step strategies for analyzing different question types Tips about how subtle differences in wording can change the meaning of an answer Strategies for “rewording” questions in your mind to make them easier to analyze Over 550 questions in the MBE topics (Civil Procedure, Constitutional Law, Contracts, Criminal Law and Procedure, Evidence, Real Property and Future Interests, and Torts) that were asked on past MBEs A complete MBE-style 200-

Acing Civil Procedure A.

BENJAMIN. SPENCER

2019-06-17 Moving beyond the outline format used by most students, this book uses a checklist format to lead students through the questions they need to ask and answer to fully analyze the legal questions they are trying to resolve. It assembles the different issues, presenting a clear guide to procedural analysis that students can draw upon when writing their exams. Other study aids provide sample problems, but this book offers a systematic approach to problem solving.
