We Are the Extraterrestrials in the Bible and Seeders of Humankind

Rufus Jimerson 2017-12-11 The purpose of this book is to explore the origin of humanity from the stars through ancient civilizations and religious beliefs that acknowledge extraterrestrial contact and guidance for humankind. It challenges the racial images and hegemonic beliefs imposed when slavery and colonialism were first being challenged as crimes against humanity during the last 200 or more years. The whitewashing imposed by Western elites was imposed to conceal the truth about the seeders of mankind and founders of both civilization and modern religion. The book specifically examines the origin of indigenous people of America and their contact with the Sky People or Star Visitors. Earlier in this volume, in the written cultures of Kemet and Palestine interpretations of biblical scriptures in terms of contact with Star Visitors are presented from Reverend Michael Carter's Alien Scriptures. Recent DNA research is also presented acknowledging that a significant amount of non-coded genes in modern humans are extraterrestrial proving that our species was seeded by aliens who breed female hominids or homo erectus. Most, if not all, of the latter species did not survive the Stone Ages unless they were hybrids of Star Visitors, including the Neanderthals whose genes make up 4 percent of our DNA. Many earlier hominid species not properly seeded by aliens where considered corrupt

or mutated beyond repair by the Watchers and were destroyed in the global deluge and other natural disasters they engineered. The Bible, the best documented and understood books of the history and religion of the ancients and chosen people is cited and provides details on visits from the cosmos and what was done to foster responsible development or evolution of humankind. Rules and consequences are inferred for those that undermine the Creator's work. This book and the truth it uncovers is designed to raise readers' awareness that conventional authorities have for their own selfish and narcissistic desire for absolute power and wealth have censored our history and belief system to reinforce their own image, vanity, and desire to be worshipped like gods.

"Aliens" in Revelation Gm Matheny 2019-10-31 The premise of this book is that aliens are evil spirits, the fallen angels of the Devil. God created animals, man, and angels, but no little green men from Mars. But both the angels of God (elect angels) and the angels of the Devil (devils), with their superior abilities, if they had not been named angels and evil spirits in the Bible, would be thought of as "aliens." And there are reasons why people living in the future tribulation will believe angels are aliens, a deception that would work to the Devil's advantage. Ancient writers from different countries wrote about beings visiting them from the skies, who were superhuman. Some were called "gods," "watchers," or "angels." I do, however, believe that angels in the Bible are exactly what the Bible

says they are-not that the word angel is a code word for alien or that the prophets of the Bible lacked the vocabulary to describe aliens. Again, I am saying that if God had not given us their name, angel, then people would naturally think they were "ancient aliens." This book is written with complete reliance on the Bible, and the outline for my story will come from the book of Revelation.

Alien Scriptures Michael J. S. Carter 2013-08 Whitely Strieber, author of *Communion: A True Story* considered *Alien Scriptures: Extraterrestrials in the Holy Bible* to be, "the best book ever written on the subject." Reverend Michael S. Carter's *Alien Scriptures: Extraterrestrials in the Holy Bible* is written from the point of view of a man or woman in biblical times, anything that came down from the sky would be considered a god, or at least sent by the gods. Now consider what the site of modern technology, such as a helicopter or rocket ship, would do to the mind of a 1st century man or woman. The explanation of this type of phenomenon would probably sound an awful lot like what we find in civilization's most sacred books. Reverend Michael S. Angels or Aliens? James Brouillette 2020-01-29 Join the journey and examine the mysterious physical remains present on earth that are being used to mount a new attack against Christianity. The reason for these ancient remains' existence here on this planet is explained using scripture. Angels or Aliens? explores giants, flying vehicles, and angels as they are discussed and explained in the Bible and how they relate to the coming assault against Christians everywhere by this new theological lie. This new false doctrine is explored, which is now being prepared and developed in order to replace the Theory of Evolution as the Godless answer to mankind's origin. This unique look at the modern world, from a biblical point of view, provides a positive Christian vision and reinforces the fact that God is in control and through Christ the victory is ours. In addition, through the process the reader is exposed to some possible end-time scenarios that they may not have previously imagined. After studying the media and the communication in which it engages, Brouillette has identified a systematic indoctrination that has taken place

over the last sixty years, in the area of the existence of life on other planets, and Angels or Aliens? exposes this newest attack against the Christian belief that our world was created by God. Using scripture, this new humanist attack is debunked, and the relationship this new theory might have with end-times prophecy is exposed.

Ancient Aliens in the Bible Xaviant Haze 2018 "Starting from the Old Testament these pages address the story of what is often not highlighted or, worse, deliberately forgotten or interpreted differently in order to conceal the potential disruptive effects."--Mauro Biglino Did a distant race of ancient aliens once inhabit the lands of the Bible? Do the ancient writings of the Bible and other texts provide proof of their existence? Did the "prophets" have close encounters with ancient aliens? Were the "angels" physical beings sent to perform specific tasks by their alien masters? Ancient Aliens in the Bible answers these questions and more. Analyzing the historical and archaeological evidence, and using the work of former Vatican translator Mauro Biglino as his guide, Xaviant Haze provides ample proof that what our ancestors described in ancient biblical texts were real-life events and not visions. The UFO encounters in the Bible are described as concrete experiences by flesh-and-blood beings. The angels were assigned specific duties and struggled to carry them out; some even rebelled and took earthly wives, forbidden by their superiors. Ancient Aliens in the Bible reveals that: - Lamech's wife gave birth to the son of an angel with glowing eyes. - Moses was led to the promised land by UFOs. - Noah's great-grandfather, Enoch, got a heavenly tour of space. Your view of the Bible will never be the same. [Aliens in Your Native Land](#) Warner M. Bailey 2020-07-24 Living as an alien in one's native land is a familiar reality to marginalized communities. Cultural, economic, and political shifts can cause people to become alienated by a system of greed, racism, sexism, xenophobia, and media manipulation. How can Christians persist under a sustained threat within a social order diametrically opposed to them? This question drives Warner Bailey's investigation of 1 Peter. The mature Christology of 1 Peter yields a profile of Christian identity. This picture is funded by texts from the Book of the Twelve (Hosea-Malachi) and is counter-intuitive, in

that it is able to create new initiatives for behavior that offer hope for redemption in the midst of oppression. Bailey explores how 1 Peter has been used in shaping the life of modern "aliens," such as Dietrich Bonhoeffer, living in his own country under the oppression of Nazism, and feminist, black, immigrant, and LGBTQIA+ readers. Placing 1 Peter within the crisis in U.S. political and economic life opens up fresh implications for faithful ecclesiastical practice and personal witness.

Yahweh, the Biblical God, Is an Alien John M. Polk 2015-08-19 Hello, my name is Reverend John Polk. I am channeling "Yahweh," the Judeo-Christian and Islamic creator-god-alien featured in the Bible, the Hebrew Bible and in the Quran. For thousands of years, up to this present day, he has been masquerading as the real God and is pulling a collective veil over the eyes of most of the world. Ancient alien astronaut theorists comprehend this reality, but most of humanity has no idea. Yahweh tells me the time draws near for full alien disclosure, so that we primitive Earthlings can be weaned off of the Mother Universe's figurative bosom. He wants the world to know that he is an extraterrestrial, that he is not God and that all God-figures in all cultures are ET's, not God. However, all creator-gods and Yahweh had wanted we humans to keep worshipping those creator-gods just like always. As collective humanity adapts to this knowledge, religion, culture and tradition need not change. For now, you may pray to the alien god you have worshiped all along but now, pray to the real God as well. The real God loves everyone regardless of their religion or belief system and therefore, he is the God for everyone. Make a deliberate point in your mind to differentiate between the two. Until this planetary transformation event takes place, we will be kept in the dark, unable to reach enlightenment. Enlightenment begins with we humans understanding and worshipping the real, universal God-love consciousness alongside with the alien gods we learn of in our religious texts. Yahweh, and other alien creator-gods who promised to return in the future, can foresee this time approaching. Instead of blanketing each continent with massive mother-ships, sending we indigenous Earthlings into a global panic, they are attempting to foretell to us of greater days to come. The extraterrestrials want to intervene in our lives on Earth

because humanity is spiraling down in a negative direction. We are raping our planet of its resources for energy, for example, when there is an abundance of renewable and free energies being hidden from us. Additionally, our world leaders are doing a pathetic job of working together. Most of our countries' leaders are inept because they are selling out. Everything is based on money and war, which is draining the loving spirit energy of our entire planet. Money, truly is, the root of all evil. I am one of many chosen seers from around the world, whose mission is to communicate this message with the masses, so that when changes occur, it's not a total electric shock. Before I die, full disclosure about ET's and the world-wide disinformation campaign and cover-up will be revealed globally. Yahweh wants light workers, like me, to be mediators in this life-ascension event for all humanity.

Alien Contact Bonnie Meyer 2006-02 This is the true story of over thirty years of UFO and alien contact. I became involved because I was going to prove that UFOs did not exist. This started me on my long journey of

finding out what the truth is. But, then I had contact with the aliens and once it began, I balked and questioned everything that they were trying to tell me. It did not take me long to realize I had to live a dual existence as I struggled to keep from looking like a nut case. For me, this is a frustrating journey and yet rewarding. I knew the road would be difficult and that there would be ridicule, but I keep steadily moving forward. Included in the book are discussions with the aliens. Some of the topics covered are: 1. UFOs and the aliens who are piloting them 2. Where the aliens come from 3. How long the aliens have been visiting Earth and why they are here 4. There are two factions of aliens here at this time 5. Why some of the aliens are abducting 6. The aliens take on our Bible, Jesus and The Creator of all 7. The coming earth changes and what it means 8. What the aliens have said about meditation, addictions, love, marriage, reincarnation and the soul.

UFO's and Spaceship Gods Maha Maha Ete 2018-02-07 UFO's. The Bible, Physics, and the Abilities of Fallen Angels: The Alien Abduction Phenomenon Paradox Brown 2011-04 This book was originally presented as a paper at the First Christian Symposium on Aliens. Analysis of the Biblically described abilities of angels and fallen angels is compared to modern alien abduction cases. This is followed by a description of how the abilities of fallen angels could be described under modern science and physics theories. Alien abduction experiences can stop in the name and authority of Jesus Christ. Written by a former abductee www.ParadoxBrown.com

UFOs In The Bible Ken Goudsward 2021-11-17 Ancient truths hidden in plain sight for thousands of years. In 1968 Erich Von Daniken cracked open a door that millions of the curious have peered through with wonderment and possibly some bewilderment. Now, standing on the shoulders of that giant, the door is soundly kicked wide open by Ken Goudsward in this astounding new examination of the scriptures, utilizing unprecedented Hebrew exegesis to reveal no less than 30 extraterrestrial encounters within the pages of the best-selling book of all time. At a time of crossroads between disclosure and conspiracy, never has the Bible been more relevant. "a fascinating and well thought out book on the many strange UFO descriptions found in the Bible. Goudsward covers all the bases" - David Hatcher Childress, author of the Bestseller *Technology of the Gods: The Incredible Sciences of the Ancients* "a thoughtful and provocative deep-dive into potentially UFO and alien-related references in the bible, a few of which have been noted before, but most of which will be new to readers." - Nick Pope, UK Ministry of Defence (Retired) "challenges us to embrace the very distinct possibility that our sacred scriptures are telling us that we have been visited by Star People in humanity's distant past, and that these visitors (intentionally or not) have influenced the origins of monotheistic religion. He goes where the evidence is leading him. Perhaps, we should have the courage to take the risk and follow." - Rev. Michael J. S. Carter. Author of *Alien Scriptures: Extraterrestrials In The Holy Bible* "an important work of easily accessible scholarship" - Jim Willis, author of *Censoring God: The History of the Lost Books (and other Excluded Scriptures)* and *Hidden History: Ancient Aliens And The Suppressed Origins Of Civilization*

Beyond Science Fiction! Jim Wilhelmsen 2009 Jim has had a lifelong interest in UFOs since he was a child in the late 50's. This led to his current position as a Religious Research specialist for the Mutual UFO

Network since 1996. He is also a member of the alumni at Central Bible College and was ordained by the Independent Assemblies of God in 1980. An avid reader, Jim is experienced and comfortable with studying the Bible in its original languages and spending hours in research as a hobby. Originally from Detroit Michigan, Jim founded and served in one of the nation's first evangelical Christian Motorcycle clubs in the early 70's which appeared on the 700 club. Jim served as Pastor in the inner city of Detroit working within the counter cultures associated with drugs and gangs. He has had almost 30 years experience working in deliverance ministries engaged in spiritual warfare that have enabled many to be set free from these bondages. Taking this experience with him into the investigation of UFOs and Alien abductions, Jim has become actively involved within the UFO community. With two other colleagues, The Alien Abduction Crises Centers of America was founded. This is a nation-wide network to provide Biblical based support and help for abductees after receiving terminations of their abduction experiences from the Biblical based counseling they provide as a free service. Jim has also traveled across the US providing Biblical based information at UFO conventions which led to setting up a book store/ museum in Roswell NM where he lived for four years. This book is the result of over ten years intensive first hand investigation and study of the subject and the people involved. It promises to be one of the most comprehensive scripturally backed books written so far, that weaves many different topics into one story of Paradise lost and found. Not since the great flood of Noah has there been such an elaborate deception put upon mankind. This book exposes it all for your consideration. Unlike many sensational books that leave you left in fear and hopelessness, this book will leave you with hope and answers for the fearful things described and soon to fall upon an unsuspecting planet.

Aliens in the Old Testament Alan McGregor 2012-09-17 There have been many books written about the past and present existence of aliens on our planet Earth. Alan McGregor's book, "Aliens In the Old Testament", is

significantly different from those other books you've probably read. Instead of a book full of all those UFO and alien abduction accounts you're likely already familiar with, McGregor's book discusses the alien presence that appears so glaringly throughout the Old Testament. In fact, the alien presence is so blatant, so obvious that you will wonder how you could have ever missed it. It's the author's belief that the Old Testament, if taken literally, proves beyond doubt that the alien presence was a reality thousands of years ago, and the Old Testament is a clear, literal written record of this presence. So, wait just a minute. If we take the Old Testament literally, doesn't that prove God is real? No. A true literal "read" reveals a race of alien beings, a race of beings that is as flawed as you and me. Thousands of years ago, when seemingly miraculous events were recorded and eventually assembled into what has come to be called the "Old Testament", these technologically advanced beings were seen as godlike. Whatever technical wizardry they pulled off back then looked miraculous to the people of that time. But we are no longer dazzled by what seemed miraculous to the people of the Old Testament. We can now look at the Old Testament through a more realistic lens: the lens of our present technology. To prove his point, McGregor lays out in detail several familiar stories of the Old Testament: stories like the Creation story, the Garden of Eden with its nasty talking snake, the Destruction of Sodom and Gomorrah, the Parting of the Red Sea, and others. Once you realize what's really going on, you will see remarkable technology showcased in all these stories as just that: technology, not miracles. Not to be missed is McGregor's detailed description of what kind of ship Ezekiel encountered in the desert. Just what was that miraculous wheel way up in the middle of the air? Others have tried to describe this mind-blowing vehicle, but McGregor gives you a vivid picture of what Ezekiel really encountered. The reality of it was simply too much for this Bronze Age human who was convinced he saw angels and God Almighty riding a flaming chariot. This book features detailed interpretations of Old Testament text, (King James ver.), plus re-imagined scenarios with dialogue that makes the original text come alive as an exciting story that puts you in the minds of the aliens as they

interacted with Old Testament man. (To the author's knowledge, this approach has never been taken before.) The book is also rife with illustrations and photos. In addition to an exploration of Old Testament events, "Aliens In the Old Testament" discusses the evidence of the alien presence in early cave art, great art masterworks of more recent medieval times, "miraculous" events in the 20th Century Catholic Church, the Nazis of WWII, and in the present day testimony of UFO sightings witnessed by NASA astronauts. If you are willing to explore with an open mind, this book will take you to a level of understanding no other book like this has ever given you. And all of you who have that copy of the "Old Testament" or the "Torah" gathering dust on a bookshelf somewhere will realize that you now have the tools to do some of your own serious research. All you have to do is open the book and read! (It should be noted that "Aliens In the Old Testament" DOES NOT set out to DISprove the existence of God. It only seeks to uncover accounts of those beings that for thousands of years have been mistaken for God.)

UFO's: The Great Last Days Deception Billy Crone 2018-03-23

Mention the topic of UFO's and Aliens and not only have most people already formed their opinions about them, but virtually everyone on the planet now believes in them. More people believe in Aliens than in the existence of God and more people believe that Aliens have visited planet earth than that Jesus is the Son of God. Ufology has become a new religion for 21st century where people now believe that Aliens will save them, not God. The problem is hardly anyone recognizes the true identity of UFO's let alone how they are being used to usher in one of the darkest, most deceptive times in the history of mankind. Therefore, this book, UFO's: The Great Last Days Deception seeks to equip you with the truth concerning so-called extraterrestrial visitors and their hidden demonic agenda. One of the biggest lies in the history of mankind is about to be foisted upon the whole world. The Rapture of the Church is going to happen, but it won't be from a liftoff in UFO's like we are being told. Don't fall for the lie!

The Alien in Israelite Law Christiana van Houten 1991-01-01 One of the first systematic and critical reconstructions of the history of the

social class of aliens in ancient society, this study develops new insights gained from the sociological approach to biblical literature. As Israel developed from tribal society to state, from state to confessional community and from confessional community to province, the identity and legal status of the alien developed in a concomitant way. Laws which initially afforded the alien only partial social and cultic inclusion in the pre-exilic period eventually required complete equality between the alien and Israelite in the postexilic period.

Outer Space, Aliens, and the Holy Bible Paul Theriault 2010-03-23 As time goes on, man still has the same unanswered questions regarding the unknown phenomenon that's infected our planet. Without expectation, the unknown has appeared and disappeared without a clue as to what they are, who they are, and why they are here. We know there is an outer space beyond Earth which contains an endless mass of stars planets, asteroids, and moons. We call it the cosmos, which refers to everything in space including Earth. Is there anyone or anything out there besides us?

Aliens, God, and the Bible Joel Curtis Graves 2017 "This theological speculative study of the bible takes the reader into the nature of the universe and how it works scientifically, the problem with evolution, the Neanderthal, Sasquatch, even the presence of space aliens and where they come from. The Bible describes a great starship -- 1.380 miles to each side -- on its way to Earth: learn about the size, composition, method of travel, possible purposes, and most importantly, when it will arrive. Discover the great war between ancient alien factions -- who they are, where they came from , their future plans and the role of humans caught in the middle." --

Ancient Aliens, the Rapture and the Return of Christ Chet Cataldo 2011-05-24 Many cultures around the world have records of ancient aliens who visited them, gave them knowledge and left. Who are these aliens? This book will identify these ancient aliens and describe a coming day when these aliens will return to the earth. The day of the aliens return to the earth will be integrated into the idea of the Rapture and the Return of Christ.

An Ethic For Christians and Other Aliens in a Strange Land William Stringfellow 2004-09-24 From 'An Ethic for Christians and Other Aliens in a Strange Land': America is a fallen nation. Americans exist in time, in the era biblically called the Fall. America is a demonic principality, or

conglomeration of principalities and powers in which death furnishes the meaning, in which death is the reigning idol. Enshrined in multifarious forms and guises, it enslaves human beings, exacts human sacrifices, captures and captivates Presidents as well as intimidating and dehumanizing ordinary citizens. Strong statements, yes, but timely in the biblical context which forms William Stringfellow's perspective of our contemporary situation. Identifying America as a fallen nation with the parable of Babylon in the Book of Revelation - not with Jerusalem the holy nation, as Americans are naively and vainly wont to do - Dr. Stringfellow issues as trenchant an indictment of our society as has been made since Philip Wylie's 'Generation of Vipers'. Shockingly prophetic, dismaying, and sobering, William Stringfellow's rigorous biblical theology will surely offend the self-righteous. But the citizen of Jerusalem, alien in Babylon, will welcome the bluntness and insight with which he speaks.

We Are the Extraterrestrials in the Bible and Seeders of

Humankind Rufus Jimerson 2017-12-18 The purpose of this book is to continue interpreting scriptures identified in the Holy Bible respecting contact with aliens in Reverend Michael Carter's A New World If You Can Take It: God, Extraterrestrials, and The Evolution of Human Consciousness. His book does find parallel scriptures in the Koran and other holy books used in establishing modern religions. In this book, biblical findings cited, paraphrased, and reinterpreted extend from Ancient Times into the Middle Ages when knights from Africa saved and preserved civilization as well as seeded the royals, nobles, and Christian Church papacy from its inception. It tries to explain why this chapter of history was omitted or submerged from public awareness. Then the book turns to issue of Karma and incarnation of the heretic pharaoh in modern times with his mother as his wife and one of the nation's most influential First Ladies. A xenophobic and religious backlash led by the reincarnation of Fallen Angels in Trump and His Four Horsemen that endanger the future of civility, liberty, and the planet. But, Star Children or Alien Hybrids continue to save and maintain hope against the Apocalyptic domain of the Demigod and His Fall Angels which threat our

End Times or some sort of cosmic correction. Meanwhile the human species is evolving from its violent and savage hominid, animalistic, tribal state to ascend to angels shepherding the Lord's creations.

Biblical UFO Revelations Dr Barry H. Downing 2017-09-14

CHRISTIAN MINISTER MAINTAINS - MIRACLES OF THE OLD AND NEW TESTAMENTS ARE MANIFESTATIONS OF AN EXTRATERRESTRIAL INTELLIGENCE The Reverend Barry Downing's credentials are impressive, adding scholarly weight to his theories regarding anomalous and miraculous events as portrayed in the Old and New Testaments. Downing holds a Ph.D. in the relation between religion and science from the University of Edinburgh of Scotland. He also has a bachelor's degree in physics from New York's Hartwick College as well as a degree from Princeton Theological Seminary. Dr. Downing has

studied the Bible most of his life. . . Not unusual for a pastor, but what makes his evangelistic career unique is that he has also studied the UFO phenomena since the mid-1950s. The combination of both pursuits resulted in the 1968 publication of his controversial book, "The Bible and Flying Saucers," which would lay important groundwork regarding the blending of the divine with the theory that earth has been visited by extraterrestrials in ancient times and that these visitations continue to this day. This work is his long awaited sequel in which he expands upon the polemic issues previously put forth, including that the - ** Parting of the Red Sea in the Bible's Exodus was accomplished by a cylindrical UFO, a cigars haped ship whose kind is still reported. ** That Jesus was an extraterrestrial sent to earth to rid the world of sin and wickedness, quoting Biblical text to support his claim. ** That Jesus left earth in a spaceship to another planet, or perhaps another spatial dimension. ** That angels were actually aliens and that the "angelic aliens" spoke to Moses on Mount Sinai where he boarded a UFO to receive the Ten Commandments and specifications for the construction of the Tabernacle. It was aliens who guided the ancient Israelites, providing them with manna in the wilderness. ** In the modern world, Downing contends with mainstream religion's refusal to take the subject seriously. Christian liberals don't want to hear the miracles of the Bible were real and Christian conservatives don't want the miracles credited to simple aliens in flying saucers. Thus one can see that Downing, an ordained minister, is bravely risking disapproval from a wide swathe of fellow Christians not ready for his message. Many of the issues discussed by the author raise the issue of ontology, or what is real and what is the nature of being. Rev. Downing believes that recent discoveries in quantum physics tend to confirm that Biblical phenomena could be real. "Modern quantum physics has revealed a world," he states, "that is not full of 'solid objects' on one hand and space on the other, but rather a dynamic world in which solid objects are mostly space, with various types of quantum energy spinning away to create the illusion of solid objects, making it difficult to know for certain what we think we know." As for a possible global cover-up of the UFO phenomenon, Rev. Downing

espouses the theory that if UFOs truly carry the angels of Christ, their "strange technology and behavior" may be as upsetting to government scientists as the Resurrection of Jesus was to the disciples. "Their 'real-world' understanding had to expand, and so must ours," he rightfully concludes. This book is for the faithful as well as those who are primarily interested in unexplained historical phenomena as revealed in Biblical as well as other ancient texts, as well as seekers of censored truths concerning the hidden and forbidden knowledge of mankind.

Nephilim, Fallen Angels, and Aliens Cathy Burns 2009-03-01 popular theme today is the topic of the Nephilim, fallen angels, and aliens. Many TV programs, movies, books, videos, and role-playing games revolve around extraterrestrial contact, alien abductions, and hybrids. In this book, Dr. Burns looks at Genesis 6. Using the Bible as her main source of reference, she addresses such issues as the sons of God in Genesis 6, fallen angels, giants, the Book of Enoch, the Book of Jasher, DNA, cloning, the Shroud of Turin, hybrids, golems, Nephilim, the watchers, the serpent seed, Cain's real father, Eve's partaking of the tree of the knowledge of good and evil, why Cain is not listed in Christ's lineage, why God sent the flood and how the end times will be as the days of Noah.

Taboo Topics In The Bible: Aliens & UFOs Dante Fortson Did you know that the Bible teaches that there are other beings in the universe besides humans? With the recent popularity of shows like Ancient Aliens, it is important that Bible believers understand what the Bible has to say about aliens, UFOs, and the like. Many Bible believers instantly reject any discussion of aliens, which causes people to turn to secular sources for answers. This study answers many of the hard questions believers have but may be afraid to ask. + Did you know that flying vehicles are mentioned in the Bible? + Did you know that aliens, angels, and the gods of mythology have quite a bit in common? + Did you know that the Bible speaks of something mingling with the seed of men in the last days? It is important that we understand the above because the verses are real and the questions aren't going away any time soon. If you aren't armed with solid answers now, you will be by the time you're done.

Bible Codes Revealed Sherry Shriner 2005 In the beginning, Earth was without form, and civilization was nonexistent. Thousands of years later, signs of earlier life on Earth were discovered, indicating that extremely intelligent life had once existed. Author Sherry Shriner alleges that a cover-up began in 1954, when a race of aliens that had been orbiting the Earth landed at Holloman Air Force Base. Afraid that their planet was dying, the aliens landed a second time at Edwards Air Force Base. Shriner explains that this monumental event had been planned in advance, and, on the appointed day, President Eisenhower was whisked away to the base, under the guise of a visit to a dentist. After President Eisenhower met with the aliens, a formal treaty between the Alien Nation and the United States of America was signed. Has the United States government really been collaborating with aliens for the past sixty years? In *Bible Codes Revealed*, Shriner challenges readers to consider the possibility of a future global alien and UFO invasion, and more importantly, what we can and should do once this event transpires. According to the author, it's not a matter of IF but WHEN! And soon. The information you will read in these pages is shocking, and points to an imminent danger on every level of a global society teetering on the brink of human and spiritual slavery. Sherry Shriner's information will shock you, but most importantly, will challenge you to get involved now in spreading the truth about this horrific reality: that aliens exist and control much of what happens on planet Earth, and unless humankind takes a stand now, the world humans rely on, the possibility of future generations even, most certainly would be lost forever due mainly to the greed and criminality of the world's most powerful ruling bodies desiring short term technological progress in exchange for selling out the human race!

What the Bible Says About Aliens and Zombies Franklin J. Andreen 2017-07-12 People are curious what the Bible says about things like astrology, cremation, cloning, rock music, tattoos, etc. I know, because they ask me. After nearly thirty years of serving in pastoral ministry, I've come to the conclusion that people are hungry to know what God's Word says about stuff they're dealing with in their lives. It's not enough to

know what other people think or what they heard a preacher say about it from the pulpit. "What does the Bible say about it?" Surprisingly, it can often be the people one would least suspect who are curious of such things. This book was designed to be a fun and easy read, not a preachy, theological dissertation. Believers and non-believers alike will enjoy discovering what the Bible says about Christmas trees, vampires, yoga, magic tricks, luck, karma, and so much more!

Adam Is God, Eve Is Us Jason Malott 2021-08-03 What if I told you that no human died in the great flood? Would that change the story a bit? What about that story where God asked his friend Abraham to sacrifice his son? Why do I ask these questions about the Bible? Because these questions need to be answered if I am to believe a God of love authored this book. If you want to join me on this journey, you won't look at God or the Bible the same again. And yes, there are aliens in here too.

The Bible and Flying Saucers Barry Downing 2019-03-10 The thesis of this book is that the Bible contains stories of beings, angels that come down from the sky, and are sometimes associated with objects in the sky such as the "pillar of cloud by day, and pillar of fire by night," which led the Jewish Exodus from Egypt. This UFO is similar to modern UFOs, which one military pilot described as looking like a Tic Tac, cylindrical, white or cloud like in color, about 40 feet long, rounded on each end, with no visible propulsion system. It seems likely that the UFOs seen in modern times are related to the same reality that started the biblical religion in both its Old and New Testament forms. Chapter 3 studies the book of Exodus in great detail, explaining how the Exodus UFO (pillar of cloud and fire) apparently used its propulsion system to part the Red Sea. In the New Testament, it is argued that our modern alien/angels were probably the power that raised Jesus from the dead, and carried the risen Jesus to the Damascus Road where the Apostle Paul was converted (Acts 9). This book has some parallels with Erich Von Daniken's "Chariots of the Gods?", but differs from Von Daniken in that it is argued that the aliens are not "gods," as Von Daniken suggests, but rather beings who have a high knowledge of God, and created the Biblical religions, in both their Jewish and Christian form, to move the human race away from

idolatry, and toward a more spiritual sense of the divine reality. Chapter V asks, "Where is Heaven?" and explores the possibility that the resurrection stories of Jesus, where he is able to enter locked rooms after his resurrection, suggests that heaven may be "another dimension" in the midst of us. Modern UFOs are reported to appear and disappear in an instant, suggesting they too may be part of a multi-dimensional reality. Einstein's Theory of Relativity is offered as a clue to understanding some of the strange resurrection stories. This book is an attempt to make sense of biblical stories that suggest the presence of extraterrestrial powers, and to examine modern UFO stories for evidence that biblical angels, and modern aliens, may be the same reality.

God Made the Aliens Brian M. Rossiter 2018-11-12 For thousands of years, human civilizations have been clamoring about extraterrestrial visitors. The ancient peoples shared countless stories about them, recorded their personal encounters, depicted them in their artwork, and even claimed that their advanced architectural and astronomical understandings could be attributed to these beings. While this is often known to us, many have failed to understand that modern scientific research has actually verified a lot of these ancient claims. The need for an intelligent cause for life on Earth, the existence of both a massive flood and races of giant people, our documentation of UFOs, and so much more, all point to the existence of extraterrestrial entities. Though every line of evidence seems to coalesce on this reality, those who should already believe in otherworldly beings are often the ones who have the hardest time doing so. While the Bible clearly discusses the existence of non-human entities, people of faith have seldom known what to make of them. In this book, Brian M. Rossiter reveals the incredible parallels that exist among the heavenly beings of the Bible, the visitors described in other ancient traditions, and the aliens of ancient astronaut theory. Along the way, he uncovers myriad ways that extraterrestrial entities have shown themselves to the world. More than that, he answers some of the most pivotal questions of all. Who are these "extraterrestrial" beings? Are they really visitors from outer space, or might they be something else altogether? Can people of faith believe in extraterrestrials without

compromising their belief in the Bible? The answers to these questions can change your entire worldview, and even challenge your most cherished beliefs about our place in existence.

Aliens in the Bible John W. Milor 2000-04-04 To get more information on this book and my other books, check out my website at www.AliensInTheBible.com. When reading the Bible, readers usually find moral guidance; sometimes they perceive a sense of poetic beauty. But how often do readers fall into the pages, and swim among the ancient Hebrew characters? How many people transcend the eons of time within the ancient text of the Bible, then look up from their reading, and consider for a moment that they are mysterious beings, immersed in a mysterious creation? How odd this current world must have looked, we with our televisions, space-shuttles, and computers, in the visions of the prophets of old; and how odd the world of antiquity looks to us today a world of giants, magicians, and sorcerers; a world of legendary gods coming from the heavens. Aliens in the Bible is a book of possibilities. No claim of supreme knowledge in biblical interpretation is made rather, scripture is presented, and with it, the pondering mind of the author. Some pondering may be perceived as utterly preposterous, despite the fact that science and historical literature other than the Bible may also support some suggested theories. Nevertheless, this book should be a healthy read; it should touch the unseen eyes of the soul, which delight in the revelations of the invisible realm. Aliens in the Bible is researched information that places paranormal subjects into three categories: supernatural entities, realms of existence, and phenomenon. Within the scope of paranormal phenomenon, unlike the title of this book may suggest, a host of topics are covered. Along with the existence of aliens ghosts, thought-forms, artificial intelligence, monsters, and mythical beings are also discussed all with a biblical interpretation. The realms of heaven and hell are explained in depth. Other paranormal phenomenon, such as reincarnation, PSI, astral projection, stigmata, and more, are also elaborated upon. Some of the theories presented in this book might make the average Christian laugh. Indeed, they could be embossed on the front page of a tabloid. Some of them are as follows: 1. The beast

spoken of in the book of Revelation might actually be an artificial intelligent life form. 2. The giants of Genesis chapter 6 were genetically engineered hybrids of humans, and fallen angels. Dinosaurs and other monstrous prehistoric beasts were the results of precursory genetic experimentation leading up to the Nephilim giants. 3. Astral projection was practiced at the Tower of Babel. This ability aided in the growth of exponential knowledge. 4. Satan once ruled a host of planets; his home world was called Rahab. God destroyed this world; it became what is now known as the asteroid belt. 5. The heaven reported by many non-Christians that have had NDEs (Near-Death-Experiences) isn't really heaven at all. It's actually a vacated paradise located within the midst of Hades, ruled by demonic entities. 6. What people perceive as reincarnation is actually possession of the deceased. This book may be accused of not being focused on the primary message of the Bible. The heart of scripture is the heart of God; that He imbed Himself inside the body of a human being by the name of Jesus, and willingly allowed Himself to be murdered. Why did He do this? Because He demands perfect justice yet seeing that we can never pay this price, He paid it for us, if only we accept Him on His terms. Instead, this book's focus is on items that may be deemed a value of secondary importance in comparison with the essentials of the Christian faith, such as the love of God, the immaculate conception of Christ, His work of salvation on the cross, moral absolutes, etc. To all Christian readers, I humbly request

you humor this work, for this book should serve a valuable twofold purpose. First of all, it will witness to seekers who often immerse themselves in the study of the Bible. **Aliens on the Internet** Sherry Shriner 2005-06 The Lord has not left us defenseless. In the last days two groups of 144,000 will rise up to battle against the Antichrist and the False Prophet and to witness Yahweh's salvation to the world at a time when the world will be ripe in judgment, destruction and horror. There is nothing new about the NWO. It is the same type of government Lucifer tried to run as a high ranking cherub before he rebelled against the Most High God before he lost his rank, kingdom, and even home planet. Author Sherry Shriner reveals the terrifying reality of aliens in our midst in *Aliens on the Internet*. She exposes Lucifer's alleged tactics of using the Internet, chip implantations, abductions, and how to fight back by deactivating implants and stopping abductions. She also reveals how churches have been used to bring about Lucifer's rise to power, and how America has become the home base of operations for Lucifer and his aliens. Today the governments, militaries, churches, and religious television networks of the world work in cahoots with Satan behind the scenes to help bring the world under his control. The saints are under attack.
