Feminist Phenomenology Linda Fisher 2013-04-17 This volume is composed chiefly of papers first presented and discussed at the Research Symposium on Feminist Phenomenology held November 18-19, 1994 in Delray Beach, Florida. Those papers have been revised and expanded for publication in the present volume and several essays have been added. We would like to thank very much all the participants in the symposium, including the session chairs and others in attendance, whose interest and enthusiasm contributed greatly. The symposium and this volume, including the name for it, were conceived of by Lester Embree, who also arranged sponsorship, local arrangements, and publication through the William F. Dietrich Eminent Scholar Chair at Florida Atlantic University and the Center for Advanced Research in Phenomenology, Inc. The invitees were decided upon jointly. Linda Fisher has been chiefly responsible for the editing and the preparation of the camera-ready copy. Linda Fisher Lester Embree Acknowledgments The editing and preparation of this volume has spanned several cities and two continents and I am indebted to many people from each place.

Getting Into Business School Brandon Royal 2013-01-01 Secrets to Getting into Business School helps candidates develop the skills and mindset needed to prepare a first-class business school application. Climb Michelle Gadsden-Williams 2018-05-01 "Gadsden-Williams is an award-winning global diversity expert who launched Ceiling Breakers LLC to help women and professionals of color to reach their potential. In her book, she talks about her journey as a woman of color who's had top senior-level positions in corporate America while managing a chronic illness. She also provides solutions to address the challenges women face navigating the business world, essentially a playbook for dealing with some of the most demanding workplace issues." --Ebony Magazine "The first book from diversity expert, philanthropist, and Accenture lead executive Gadsden-Williams incorporates both memoir and career guide...Hers is a realistic, pragmatic discussion of what it takes to make it in Fortune 500 companies, and in life." --Booklist "In this memoir and guidebook, Gadsden-Williams interweaves the story of her life as a black female executive with research statistics and savvy career tips for minority women also seeking to occupy the 'C-Suite'...Always candid about the realities of corporate life, the author offers sound advice for minority women seeking advancement, recognition, and meaningful lives. Illuminating and useful." --Kirkus Reviews "Michelle Gadsden-Williams has accomplished something rare for a black woman in America: maintained a successful corporate career at the highest level. Climb is the story of her journey to the top, and her generous effort to send the elevator back down for the rest of us." --Tiffany Dufu, author of Drop the Ball "Gadsden-Williams has written a brilliant book that reveals how companies can leverage diversity as a competitive advantage in today's

marketplace. With vivid stories from her twenty-five years [of experience], Climb is a book that will reframe HR into a powerful strategy function for twenty-first century organizations." --John Gerzema, New York Times best-selling author of The Athena Doctrine "Gadsden-Williams has used her personal story of resiliency to provide invaluable insight into how to build a fulfilling life, not just a career. She pulls no punches when sharing her experiences as an African American woman determined to fulfill her dream to help others live up to their potential." --Linda A. Hill, professor, Harvard Business School, and author of Being the Boss "Most organizations were not designed for women of color. [In Climb] Gadsden-Williams takes us on a journey of her career--the winding road of making tough career and family decisions, seeking out and shaping opportunities, and walking away when others thought she should stay. There is raw, sincere vulnerability displayed in this book...[and there] is also a call to action--intentionally shape your career and be an active partner in shaping the organizations you are a part of. Thank you for sharing your story! I am sure it will be an inspiration to its readers. Keep climbing!" --Katherine W. Phillips, Paul Calello Professor of Leadership and Ethics, Columbia Business School "A frank memoir plus career guide, Michelle Gadsden-Williams shares personal stories of self-assurance, resilience, and bravery that serve as lessons for women in the workplace. This book is essential reading." --Angela Rye, CEO, IMPACT Strategies Renowned as a diversity and inclusion strategist, Gadsden-Williams held C-Suite positions at major organizations for many years...and then took the off-ramp to probe a different career path, launching Ceiling Breakers LLC, with the primary goal to help women and professionals of color reach their full potential. As a woman of color and corporate executive who has worked and traveled the world for several Fortune 500 companies--all while managing a chronic illness--she provides insight into overcoming the barriers facing professionals in today's workplace. In Climb, Gadsden-Williams combines her inspirational life story with pragmatic solutions to address problems facing women in corporate America, offering a professional playbook for tackling today's most pressing workplace issues.

Building State Capability Matt Andrews 2017 Introduction : the "long voyage of discovery" -- The big stuck in state capability -- Looking like a state : the seduction of isomorphic mimicry -- Premature load bearing : doing too much too soon -- Capability for policy implementation -- What type of organization capability is needed? -- The challenge of building (real) state capability for implementation -- Doing problem-driven work -- The searchframe : doing experimental iterations -- Managing your authorizing environment -- Building state capability at scale through groups.

Building a StoryBrand Donald Miller 2017-10-10 More than half-a-million business leaders have discovered the power of the StoryBrand

Framework, created by New York Times best-selling author and marketing expert Donald Miller. And they are making millions. If you use the wrong words to talk about your product, nobody will buy it. Marketers and business owners struggle to effectively connect with their customers, costing them and their companies millions in lost revenue. In a world filled with constant, on-demand distractions, it has become near-impossible for business owners to effectively cut through the noise to reach their customers, something Donald Miller knows first-hand. In this book, he shares the proven system he has created to help you engage and truly influence customers. The StoryBrand process is a proven solution to the struggle business leaders face when talking about their companies. Without a clear, distinct message, customers will not understand what you can do for them and are unwilling to engage, causing you to lose potential sales, opportunities for customer engagement, and much more. In *Building a StoryBrand*, Donald Miller teaches marketers and business owners to use the seven universal elements of powerful stories to dramatically improve how they connect with customers and grow their businesses. His proven process has helped thousands of companies engage with their existing customers, giving them the ultimate competitive advantage. Building a StoryBrand does this by teaching you: The seven universal story points all humans respond to; The real reason customers make purchases; How to simplify a brand message so people understand it; and How to create the most effective messaging for websites, brochures, and social media. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, *Building a StoryBrand* will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.

The Second Mountain David Brooks 2020-05-26 #1 NEW YORK TIMES BESTSELLER • Everybody tells you to live for a cause larger than yourself, but how exactly do you do it? The author of *The Road to Character* explores what it takes to lead a meaningful life in a self-centered world. "Deeply moving, frequently eloquent and extraordinarily incisive."—The Washington Post Every so often, you meet people who radiate joy—who seem to know why they were put on this earth, who glow with a kind of inner light. Life, for these people, has often followed what we might think of as a two-mountain shape. They get out of school, they start a career, and they begin climbing the mountain they thought they were meant to climb. Their goals on this first mountain are the ones our culture endorses: to be a success, to make your mark, to experience personal happiness. But when they get to the top of that mountain, something happens. They look around and find the view . . . unsatisfying. They realize: This wasn't my mountain after all. There's another, bigger mountain out there that is actually my mountain. And so they embark on a new journey. On the second mountain, life moves from self-centered to other-centered. They want the things that are truly worth wanting, not the things other people tell them to want. They embrace a life of interdependence, not independence. They surrender to a life of commitment. In *The Second Mountain*, David Brooks explores the four commitments that define a life of meaning and purpose: to a spouse and family, to a vocation, to a philosophy or faith, and to a community. Our personal fulfillment depends on how well we choose and execute these commitments. Brooks looks at a range of people who have lived joyous, committed lives, and who have embraced the necessity and beauty of dependence. He gathers their wisdom on how to choose a partner, how to pick a vocation, how to live out a philosophy, and how we can begin to integrate our commitments into one overriding purpose. In short, this book is meant to help us all lead more meaningful lives. But it's also a provocative social commentary. We live in a society, Brooks argues, that celebrates freedom, that tells us to be true to ourselves, at the expense of surrendering to a cause, rooting ourselves in a neighborhood, binding ourselves to others by social solidarity and love. We have taken individualism to the extreme—and in the process we have torn the social fabric in a thousand different ways. The path to repair is through making deeper commitments. In *The Second Mountain*, Brooks shows what can happen when we put commitment-making at the center of our lives.

Further to Fly Sheila Radford-Hill 2000 Amid the longest-running economic boom in American history and despite the emergence of a significant black middle class, the lot of low-income black people in general and black women in particular seems more troubling than ever. Their plight, Sheila Radford-Hill argues in this book, is directly related to the diminution of black women's traditional power as culture bearers and community builders. A cogent critique of feminist theory and practice, *Further to Fly* identifies the failure of feminism to connect with the social

realities it should seek to explain, in particular the decline of black women's empowerment. Further to Fly searches out the causes and effects of this decline, describing the ways in which, since the 1960s, black women have been stripped of their traditional status as agents of change in the community—and how, as a result, the black community has faltered. Radford-Hill explores the shortcomings of second-wave black and white feminism, revealing how their theoretical underpinnings have had unintended (and often unacknowledged) negative consequences for black women's lives and their communities. While acknowledging that African American women have made significant contributions to the black struggle for justice in America, Radford-Hill argues that more needs to be done. She combines social criticism and critical analysis to argue that black women must revive their legacy of activism and reclaim the tradition of nurturing in the black community, proposing specific tactics that can be used to revive the support networks that help determine the obligations of community members and guide how people interact on an everyday level. As a deft account of genesis and effects of black women's diminishing power, and as a sobering analysis of the devastating blunders of feminist theory and practice, this work makes a compelling argument for an "authentic feminism," one that aggressively connects the realities of women's experiences, needs, aspirations, and responsibilities.

Act of Congress Robert G. Kaiser 2014-01-28 A Washington Post Notable Book An eye-opening account of how Congress today really works—and how it doesn't— Act of Congress focuses on two of the major players behind the sweeping financial reform bill enacted in response to the Great Crash of 2008: colorful, wisecracking congressman Barney Frank, and careful, insightful senator Christopher Dodd, both of whom met regularly with Robert G. Kaiser during the eighteen months they worked on the bill. In this compelling narrative, Kaiser shows how staffers play a critical role, drafting the legislation and often making the crucial deals. Kaiser's rare insider access enabled him to illuminate the often-hidden intricacies of legislative enterprise and shows us the workings of Congress in all of its complexity, a clearer picture than any we have had of how Congress works best—or sometimes doesn't work at all.

The Ultimate Guide To Choosing a Medical Specialty Brian Freeman 2004-01-09 The first medical specialty selection guide written by residents for students! Provides an inside look at the issues surrounding medical specialty selection, blending first-hand knowledge with useful facts and statistics, such as salary information, employment data, and match statistics. Focuses on all the major specialties and features firsthand portrayals of each by current residents. Also includes a guide to personality characteristics that are predominate with practitioners of each specialty. "A terrific mixture of objective information as well as factual data make this book an easy, informative, and interesting read." -- Review from a 4th year Medical Student

Flight 1912

Alone on the Wall (Expanded edition) Alex Honnold 2018-10-02 Including two new chapters on Alex Honnold's free solo ascent of the iconic 3,000-foot El Capitan in Yosemite National Park. On June 3rd, 2017, Alex Honnold became the first person to free solo Yosemite's El Capitan—to scale the wall without rope, a partner, or any protective gear—completing what was described as "the greatest feat of pure rock climbing in the history of the sport" (National Geographic) and "one of the great athletic feats of any kind, ever" (New York Times). Already one of the most famous adventure athletes in the world, Honnold has now been hailed as "the greatest climber of all time" (Vertical magazine). *Alone on the Wall* recounts the most astonishing achievements of Honnold's extraordinary life and career, brimming with lessons on living fearlessly, taking risks, and maintaining focus even in the face of extreme danger. Now Honnold tells, for the first time and in his own words, the story of his 3 hours and 56 minutes on the sheer face of El Cap, which *Outside* called "the moon landing of free soloing...a generation-defining climb. Bad ass and beyond words...one of the pinnacle sporting moments of all time."

The Casual Mentor Hank Hoppin 2015-12-14 Hank Hoppin never fully appreciated it as it was happening, but he reaped the rewards of mentorship throughout his life. His father died when Hank was twelve years old, and his mother began mentoring him—reminding him that Dad would not be happy, if still alive, to witness the boy's misbehavior. She also kept him busy with a paper route to teach him the value of hard work. Once he entered the professional ranks, he was mentored by others and enjoyed twenty-five years of success as district manager at one of America's leading pharmaceutical companies. He traces what he learned about mentoring in this memoir. Learn how to: adapt mentoring practices to help people of all ages; create and develop a mentoring program; modify mentoring approaches to fit different leadership styles; incorporate storytelling into mentoring. Filled with case studies and inspirational quotes, you'll also learn ten advantages to a casual mentoring relationship, the top ten key attributes of the most influential corporate mentors, five undeniable benefits of highly functional teams, and the top five advantages of informal partnerships. Get your team on the right track and enhance business operations with the revealing insights in *The Casual Mentor*.

Including an enduring foreword by Oprah Winfrey, this remarkable keepsake celebrates the promise of America and affirms the power of poetry.

The CEO Difference: How to Climb, Crawl, and Leap Your Way to the Next Level of Your Career D. A. Benton 2014-02-14 Stay relevant, stay connected, STAY AHEAD OF THE GAME. When it comes to getting ahead today, your talent and experience matter. The problem is, someone else going for the promotion or business opportunity has a résumé that's as good as, if not better than, yours. If you want to get ahead, you have to be different. You have to stand out from the crowd. You have to get decision makers to talk about you. No one understands what it takes to succeed in today's business landscape better than D. A. (Debra) Benton. A globally recognized consultant, Benton has spent more than 20 years helping business professionals like you perform better and achieve more. In *The CEO Difference*, Benton gives you the insight and tools to make subtle changes in your presentation, attitude, and leadership style that will dramatically increase your leadership effectiveness—and, consequently, help you enjoy work and life. Learn how to differentiate yourself with tangible steps to get where you want to go: Authentically and effectively differentiate yourself in appropriate ways Inspire teams and organizations to be more productive and prosperous Understand yourself, change your mindset, and present yourself in a way that people are receptive to Create, manage, and mentor successful individuals and teams Remain intellectually curious while making meaningful contributions to your organization Competition for the top spot has never been fiercer. "Today, you have to exceed in a group of 'exceeders,'" Benton writes. But it's not all about improving

your job performance. You are already knowledgeable, competent, and hard-working. It's about doing typical things in atypical ways. It's about doing things that add organizational value—without being asked. It's about having what your competitors don't: The CEO Difference. Praise for *The CEO Difference* "In our competitive world, finding a way to differentiate oneself is a key to success. Benton profiles a range of tried-and-true differentiators that can make all the difference." —Jim Goldman, President and CEO, Godiva Chocolatier "After reading this book, you'll understand why D. A. Benton is ranked one of the world's Top 10 CEO coaches. She provides a succinct, real-world summary of what it takes for senior executives to differentiate themselves in an ever more competitive world." —Daryl Brewster, CEO, CECF (Committee for Encouraging Corporate Philanthropy); former CEO, Krispy Kreme; and former President, Nabisco "Benton does it again! A great how-to book to boost you the last little way to the top (and be loved while doing it!)." —Reuben Mark, retired Chairman and CEO, Colgate-Palmolive Company "Benton offers practical advice to aspiring leaders to help them authentically and effectively differentiate themselves in the workplace. A very worthy read." —Doug las R. Conant, Chairman, Avon Products, and former President, CEO, and Director, Campbell Soup Company "D. A. Benton is a trusted advisor for CEOs and leaders. She coaches her clients to not only be the best leader they can be, but also on how they can best create, manage, and mentor successful individuals and teams." —Deanna Mulligan, President and CEO, The Guardian Life Insurance Company of America

Making a Difference College and Graduate Guide Miriam Weinstein 2000 Finally! Prestigious scholarships and fellowships for doing good! This is the make a difference generation and all over America high school and college students are rolling up their sleeves and devoting their time and energy to causes they believe in. And like most students, they could use some extra money when heading to college - so why not take advantage of the many scholarships available for doing community service? *Making a Difference Scholarships* is a unique guide written especially for caring students. The guide lists distinguished scholarships awarded for social service, social entrepreneur funds for young people who start their own non-profits, college-based service scholarships, and fellowships for studies such as labor, peace, and the environment. While most scholarship guides are filled with obscure small scholarships that very few students are eligible for, anyone doing community service anywhere in the U.S. can try for most making a difference scholarships. Many of these scholarships are exceptionally large—in the \$5,000 to \$10,000 range. And winners of these awards substantially increase their chances of being admitted to the college of their choice. Today's students really deserve honors for their acts of community building and environmental stewardship! A wonderful gift for students who care and a great companion guide to *Making a Difference College and Graduate Guide*, Miriam Weinstein has been active in environmental and social causes since her teens. She has been publishing the *Making a Difference College Guide* since 1992. Weinstein is a graduate of the New College of California and lives in San Anselmo, California.

The Motor 1904

Congressional Deskbook: The Practical and Comprehensive Guide to Congress, Sixth Edition Judy Schneider This comprehensive guide to Congress is ideal for anyone who wants to know how Congress really works, including federal executives, attorneys, lobbyists, media and public affairs staff, government affairs, policy and budget analysts, congressional office staff and students. - Clear explanation of the legislative process, budget process, and House and Senate business - Flowcharts for legislative and budget processes - Explanation of the electoral college and votes by states - Glossary of legislative terms - Relationship between budget resolutions and appropriation and authorization bills - Amendment tree and amendment procedures - How members are assigned to committees - Agenda for early organization meetings (after election, before adjournment) - Sample legislative documents with explanatory annotations - Bibliographic references throughout.

The Purpose of Power Alicia Garza 2020-10-20 An essential guide to building transformative movements to address the challenges of our time, from one of the country's leading organizers and a co-creator of Black Lives Matter "Excellent and provocative . . . a gateway [to] urgent debates."—Keeanga-Yamahtta Taylor, *The New Yorker* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • Marie Claire • Kirkus Reviews In 2013, Alicia Garza wrote what she called "a love letter to Black people" on Facebook, in the aftermath of the acquittal of the man who murdered seventeen-year-old Trayvon Martin. Garza wrote: Black

people. I love you. I love us. Our lives matter. With the speed and networking capacities of social media, #BlackLivesMatter became the hashtag heard 'round the world. But Garza knew even then that hashtags don't start movements—people do. Long before #BlackLivesMatter became a rallying cry for this generation, Garza had spent the better part of two decades learning and unlearning some hard lessons about organizing. The lessons she offers are different from the “rules for radicals” that animated earlier generations of activists, and diverge from the charismatic, patriarchal model of the American civil rights movement. She reflects instead on how making room amongst the woke for those who are still awakening can inspire and activate more people to fight for the world we all deserve. This is the story of one woman's lessons through years of bringing people together to create change. Most of all, it is a new paradigm for change for a new generation of changemakers, from the mind and heart behind one of the most important movements of our time.

Career Planning for the 21st Century Donald H. Blocher 2001 Helps you build a life in which you are living your greatest passions every day, a life of unbelievable richness and meaning. This work explores the basic concepts of life planning, the changing world of careers, and the process of exploring that world. It helps the reader clarify personal values and set both general life goals and career goals.

The Class Ceiling Friedman, Sam 2020-01-06 Politicians continually tell us that anyone can get ahead. But is that really true? This important best-selling book takes readers behind the closed doors of elite employers to reveal how class affects who gets to the top. Friedman and Laurison show that a powerful 'class pay gap' exists in Britain's elite occupations. Even when those from working-class backgrounds make it into prestigious jobs, they earn, on average, 16% less than colleagues from privileged backgrounds. But why is this the case? . Drawing on 175 interviews across four case studies - television, accountancy, architecture, and acting - they explore the complex barriers facing the upwardly mobile. This is a rich, ambitious book that demands we take seriously not just the glass but also the class ceiling.

Assembly United States Military Academy. Association of Graduates 2003 **Machinery** 1898

The Dictator's Handbook Bruce Bueno de Mesquita 2011-09-27 Explains the theory of political survival, particularly in cases of dictators and despotic governments, arguing that political leaders seek to stay in power using any means necessary, most commonly by attending to the interests of certain coalitions.

The Capitol Hill Playbook Nicholas Balthazar 2013-04-20 In presenting the ideal skills, abilities, and qualities of a successful politico, The Capitol Hill Playbook speaks to today's generation of staffers like no other book before it. Weaving together Renaissance-era political philosophies and contemporary illustrations, Nicholas Balthazar enlists the help of Niccolò Machiavelli, author of the venerable political treatise The Prince, and Baldassare Castiglione, author of The Book of the Courtier—the authoritative account of Renaissance court life—to demonstrate two models of political life and their applicability today. Balthazar offers readers a path between these two methods, exploring the mechanics of working for elected officials but also discussing the philosophies behind contemporary political work. The Capitol Hill Playbook answers all the questions a newly hired staffer might want to ask: • Why do politicians run for office? • Why is devotion so important in politics? • Why must a staffer be a good communicator? • Why are friendships such an essential and elusive part of political life? • How do you win a political knife fight? • Why should a political staffer never wear a bow tie to the office? • And more! A provocative and informative read, The Capitol Hill Playbook will be indispensable to any political aspirant and, with an intriguing look back to the Renaissance, reveals how politics today has both changed and remained the same through the centuries.

Climbing the Hill Jaime Harrison 2018-09-25 Inspiring, nonpartisan insider's advice on how anyone can build a career in local, state, and national government, from two rising stars in Washington government and policy. This inspiring, nonpartisan guide, written by longtime staff members of Republican and Democratic house leadership teams provides all the hard-won secrets and strategies you need to build a career in local politics or Congress, make a difference, and ascend from an internship to leadership. With practical tips on how to not only land a job but also create the foundation for a lasting and impactful career in public service, this guide will empower anyone who feels the urge to improve this country with meaningful work.

Climb Against the Odds Mary Papenfuss 2003-04 "Climb Against the Odds" documents the inspiring story of a group of women who joined The Breast Cancer Fund to raise awareness and money for the fight against breast cancer by endeavoring to climb some of the world's most daunting peaks, putting their post-cancer bodies and their indomitable spirits through a journey that changed them all. 100 photos.
