Sixth Grade Summer Kay D. Did 2015-07-10
Read about a neighborhood of All-American kids, growing up. The stories will make you laugh and maybe cry. School was cool! Freedom and free thinking ruled the day. Girls were going through a revolutionary change and boys didn't have a chance. The boys were learning that the girls

really did have something special. Summer romance and first loves are some of the many stories; but baseball, tree forts, fighting and much more are part of the story. Who knew girls could become sharks?"Out of the depths of the dark sea, Candy appeared like a large shark, with deep, dark eyes. It was like a scene from a prison movie; she swam by my table and dumped chocolate milk in my lunch tray. The boys laughed and had a heyday with that one. We went out to recess. As soon as Russ, Skip and I hit the exit doors there appeared Candy and her goon squad of six girls. Betty Smith, the Amazon Woman, Janet Betts, Ms Butch America, and several other girls who had hair on their upper lips. Betty said to Skip, "You're gettin' your ass kicked shrimp!" This excerpt is just one of many fun filled, action packed tales.

Wild Things Clay Carmichael 2016-11-04 A

headstrong girl. A stray cat. A wild boy. A man who plays with fire. Eleven-year-old Zoë trusts no one. Her father left before she was born. At the death of her irresponsible mother, Zoë goes to live with her uncle, former surgeon and famed metal sculptor Dr. Henry Royster. She's sure Henry will fail her as everyone else has. Reclusive since his wife's death, Henry takes Zoë to Sugar Hill, North Carolina, where he welds sculptures as stormy as his moods. Zoë and Henry have much in common: brains, fiery and creative natures, and badly broken hearts. Zoë confronts small-town prejudice with a quick temper. She warms to Henry's odd but devoted friends, meets a mysterious teenage boy living

wild in the neighboring woods, and works to win the trust of a feral cat while struggling to trust in anyone herself. In this ALA Notable Children's Book and Kirkus Reviews Best Children's Book of the Year, Zoë's questing spirit leads her to uncover the wild boy's identity, lay bare a local lie, and begin to understand the true power of Henry's art. Then one decisive night, she and the boy risk everything in a reckless act of heroism.
