Collector's Guide to Ashtrays Nancy Wanvig 1999 Due to the popularity of Nancy Wanvig's first edition and the demand for ashtrays on the collectibles market, we are pleased to produce this new, expanded edition. This second edition of Wanvig's *Collector's Guide to Ashtrays* now showcases over 2,000 pieces in full color. This excellent reference guide is again presented in its easy-to-use, colorful format. Categorized by type for easy identification and reference, the ashtrays are carefully described, including size and value. Almost 300 color photographs illustrate all sorts of ashtrays -- china, glass, metal, plastic, wood, and more. All prices have been updated to reflect the ever-changing, growing market for these highly collectible containers. A brief history of smoking and ashtrays accompanies the various sections on functional, advertising, and novelty ashtrays. Over 300 new advertising ashtrays and over 200 smokers and noddies are included in the expanded novelty and advertising sections of the book. Readers will view specific styles of ashtrays, such as Victorian, Art Nouveau, and Art Deco, and those made by specific companies like Pickard, Schafer, and Vater. There are even European ashtrays from the turn of the century, fun and functional advertising items, and hundreds of other ashtrays in this colorful collector's guide.

Collector's Guide to Feather Edge Ware Lisa S. McAllister 2000-09

Newcomers to the field of feather edge collecting will be delighted to see the vast array of items produced in this lovely design: tureens, master salts, pepper and mustard pots, ladles, cups and mugs, plates of all sizes, platters, open and covered dishes, drainers, sauce boats, and many more. 150 full color photographs included. A brief section on reproduction will be helpful for both experienced and beginning collectors. AUTHORBIO: In 1992 Lisa McAllister co-authored her first volume of the *Collector's Guide to Yellow Ware* with John Michel. That book has been brought back into print with updated information and current market values. She has also produced two more volumes on her own in that series, as well as the *Collector's Guide to Feather Edge Ware*. REVIEW: This book is an identification and value guide intended to help you identify a piece of

Red Wing Art Pottery and given an average price you can expect to pay for the item. A history of Red Wing begins the book, as well as information on marks and shape numbers. Detailed color photographs make this book a must-have for collectors.

Collectors Guide to Bubble Bath Containers Greg Moore 1998-10-19 In the 1960s, the first figural soap container became the motivating instrument for kids everywhere, and bubble baths were born. The pages of this value guide are bubbling over with almost 800 full-color photos of bottles from the 1960s to the 1990s. The 13 comprehensive chapters contain descriptive text, which includes the name of the character, distributor, date of issue, rarity based on the authors' scale, current estimated value, and country of origin. 1999 values. 8.5 x 11.

Inside the Jewelry Box, Volume 3 Ann Mitchell Pitman 2008-12-02 Ann Mitchell Pitman returns once again with her special brand of Southern humor and gorgeous vintage costume jewelry. This book features jewelry completely different from her previous two books, with no repeats. Featured chapters include Forbidden Fruit, Juliana, and Schreiner, among others. Once again there are nearly 1,000 full-color photographs of jewelry by companies such as Joseff, Coro, Miriam Haskell, Schiaparelli, Boucher, Hattie Carnegie, Weiss, Eisenberg, Mazer and Jomaz, Hobé, and Coppola e Toppo. Victorian Renaissance and Art Deco make appearances, as does more of the California ceramic jewelry of Ruby Z and Parrot Pearls. The histories behind the companies Calvaire and Ann-Vien are revealed, and of course Bakelite and other artful plastics are once again presented, along with vintage ads and websites devoted to selling vintage costume jewelry.

Collector's Guide to Transistor Radios Marty Bunis 1996 This exceptional book includes nearly 400 full-color photographs and updates over 2,000 current values, making this edition totally in sync with the ever-changing market. The authors have put a special emphasis on radios from the 50s and 60s.

The Collector's Guide to Inkwells Veldon Badders 1997-10 Collector Books published Mr. Badders's first book on inkwells over two years ago and sales of that book have been very good. Now Veldon Badders has

completed an all-new book. This fresh look at inkwells was compiled not to replace Book I, but to be a companion volume; it does not include any repeats of that first book. Book II has over 750 full-color photographs complete with sizes, dates, composition, histories of manufacture, and of course, current market values. Also included in this beautiful book are chapters on pottery & porcelain, crystal, glass, copper, brass, cast iron, wood, stone, plastic, and more. Inkwells are made of virtually every material imaginable and have been produced for centuries - the first dating back into the 1600s. Current values range from as little as \$20.00 into the thousands of dollars. Inkwell collectors need this resourceful book to keep abreast of ever-changing values. 8.5 X 11. 1998 values.

Collector's Guide to Vintage Fashions Kristina Harris 1998-12 This book is a one-of-a-kind volume, packed with truly useful information, covering the earlier years of the nineteenth century and offering over 400 beautiful color photographs of authentic historical garb. With an emphasis toward helpful information for collectors, it provides general collecting tips such as provenance and caring for antique fashions, and features a 'Q & A' section where many common questions regarding vintage fashion collecting are answered. 1999 values. REVIEW: From the Beverly Hillbillies to Wonder Woman, this book features collectibles marketed during 46 television shows' original runs. Not only does this book bring back fun memories and recollections of favorite television episodes, but it also educates collectors on the current values for these items.

Collector's Guide to Electric Fans John M. Witt 1996-11 The interest in old electric fans has skyrocketed in the last five years. In 1994, an 1887 Crocker/Curtis fan brought \$12,000 at an auction; several fans have since sold for over \$15,000! Antiques dealers, auctioneers, and collectors from all over the country have been unable to find information on these fans - there has been no price guide available. Plus there are many reproductions on the market that are worthless and confusing to the collector. This book is the answer to the great demand for an accurate and complete resource for dating and pricing electric fans. Each of the 330 fans in this well-researched book is dated, sized, and

given a thorough range of prices based on six categories of condition. Plus there are dozens of intriguing illustrations, catalog ads, and historical information for various companies. 2001 values. 8.5 X 11.

The Standard Knife Collector's Guide Ron Stewart 2009 This book lists literally hundreds of manufacturers of cutlery from all over the world. Old as well as new brands are included. The easy-to-use format allows the collector to become an expert in evaluating or appraising knives by using the RBR evaluation scales. There are overviews describing the histories of major knife companies, a section on commemoratives and limited editions, clubs and organizations, numbering systems, and a section on identifying knife patterns. The handle materials section contains full-color photographs showcasing the variety of handle materials used in the manufacture of knives. This book is a must for the experienced as well as the new knife collector. A thorough pricing update and an expansion of the RBR scales are highlights of this sixth edition. 2009 values.

Collector's Guide to Antique Radios John Slusser 2001 The authors, full-time radio dealers, have compiled this heavily revised fifth edition, providing a complete price guide and descriptions for over 5,000 models of radios. Includes full-color photos and information about the companies that manufactured models during the Golden Age of Radio, from the 1920s to the 1950s.

General Store Collectibles David L. Wilson 1998-05 This all-new identification and value guide is a companion book to David Wilson's first book because there are no repeated items. It features more than 500 gorgeous color photos of store fixtures, showcases, advertising items, patent medicines, dye cabinets, coffee mills, and much more from the shelves, counters, and walls of the old general store. The informative historical text is paired with period photos of actual stores showing displays, storekeepers, and customers. This is a fascinating look at part of America's history and the resulting collectible field. 1998 values. AUTHORBIO: David Wilson has collected country store Americana for more than 34 years. He has been an antique dealer and appraiser, and has operated a museum in California's gold discovery site, Coloma. He has

been a member of the Tin Container Collector's Association, Antique Advertising Association of America, and the Oregon State Historical Society. REVIEW: This book saves collectors untold hours of research trying to identify things in their inventory. Hundreds of glass patterns are shown in detail for easy reference.

Collector's Guide to Yellow Ware Lisa S. McAllister 2003-01-01 Ten years ago authors Lisa McAllister and John Michel brought collectors the definitive guide to collecting American yellow ware. Collector Books is proud to bring back that popular title with the same wonderfully detailed color photographs, now up to date with current information and values that have undergone dramatic changes since the first printing of the book in 1992. The book contains extensive information on the manufacturing process of redware, stoneware, and yellow ware, and takes you step by step, starting with the clay then moving on to forming the piece, decorating, firing, and finally, attribution. Manufacturers are categorized into East, South, New England, Ohio, and West, and manufacturers' marks are listed and described. Around 300 color photographs showcase storage jars, mustard pots, pitchers, bowls, teapots, cups & mugs, canister sets, plates, bottles, soap dishes, figurals, custard cups, and much more. Collectors have been waiting for the revival of this important guide - you're sure to 'wear' out *Collecting Yellow Ware*. 2003 values.

The Collector's Guide to Antique Radios Marty Bunis 1994 The latest edition of a popular price guide features all updated listings and values. Helping eliminate confusion in radio identification, this book contains over 5,000 model numbers and over 600 color photos, as well as basic descriptive information. This guide covers radios produced between 1920 and 1959, listing them in alphabetical order by company.

Collector's Guide to Tootsietoys David Richter 1995-11 This second edition contains practically every existing Tootsietoy example and variation. It has nearly 700 full-color photos and catalog pages, and includes not only prewar and postwar toys, but also Tootsietoys from the 1970s.

Field Guide to Fishing Lures Russell E. Lewis 2004-11 Russell E.

Lewis, author of three volumes of Modern Fishing Lure Collectibles, has produced a new title that will be a handy resource for lure lovers everywhere. Field Guide to Fishing Lures is aimed at assisting the beginning, intermediate, and advanced collector and the general antique and collectible dealer in identifying both collectible older vintage lures and the more modern classic fishing lures. It includes a cross-section of both very old and more recent collectible lures and has prices of each lure shown. With the help of this easy-to-tote guide, collectors will be able to recognize all major categories of lures and the most significant companies in the industry while hunting for additions to their collections. The book begins with the six major companies, Creek Chub Bait Company, Heddon, Paw Paw, Pflueger, Shakespeare, and South Bend. Then an alphabetical listing of more than 200 companies highlights other significant manufacturers and their major contributions. The book continues the tradition of high quality, detailed photographs useful in identifying small nuances important in lure collecting, as well as the author's practice of providing historical data for readers. 2005 values. *A Collector's Guide to Nesting Dolls* Michele Lyons Lefkovitz 1989-01 Illustrates, describes and lists the value of a variety of nesting dolls *The Collector's Guide to Made in Japan Ceramics* Carole Bess White 1998 All-new Book Three is a companion volume with none of the pieces pictured repeated from the previous books. This highly informative guide distinguishes those 'Made in Japan' ceramics from other Japanese export ceramics such as Nippon, Noritake, and Occupied Japan. Over 650 beautiful color photographs together with a special section on marks and backstamps aid the collector in identifying and dating a collection. Special focus is given to the many styles, and different glazes, as well as reproductions to be aware of in the market. An unbelievable amount and variety of items are featured in this fun, colorful book - from ashtrays to wall pockets, figurines, pincushions, planters, souvenirs, bookends and much more. 1998 values. 8.5 X 11. *Moral Values and the Idea of God* William Ritchie Sorley 1921 *Collector's Guide to Bookends* Louis Kuritzky 1997-09 This is the most exhaustive resource on bookends, with information on founders, casters,

and companies. There are hundreds of color photos, current values, descriptions, rarity ranking, patents, copyrights, and catalogs. *The Collector's Guide to Hull Pottery - The Dinnerware Lines* Barbara Loveless Gick-Burke 1993 This new collector book covers the 13 dinnerware lines produced by Hull from the early 1960s until the closing of the plant in 1985. Featuring more than 650 listings with full-color photos, an easy-to-use format and a current value guide to all known pieces, this is an invaluable collector's reference.
